A. Personal Statement

I have been involved in clinical research for over 25 years. I have worked as a clinical coordinator, quality assurance auditor, manager, educator and Director. Currently, I am the Director of the Clinical Trials Office at Feist Weiller Cancer Center. I am responsible for all clinical trials operations and supervision of twelve clinical research professionals. I am a trainer for the Association of Clinical Research Professionals and have presented at their conferences for fifteen years. I'm committed to having the premier research site in Louisiana and assisting in finding a cure for cancer.
