

The Department of Genetics is proud to announce that Diptasri Mandal, PhD has been appointed Associate in the Department of Health, Behavior & Society in the Bloomberg School of Public Health at Johns Hopkins University in Baltimore, Maryland and Judy Crabtree, PhD has been appointed as an Adjunct Assistant Professor at the Pennington Biomedical Research Center in Baton Rouge, Louisiana.

Dr. Mandal will be serving as a preceptor in the Department's academic program; we know Dr. Mandal's expertise will be an enormous benefit to the students!

Dr. Crabtree will be contributing to the ongoing activities of the Center via research collaborations; we know Dr. Crabtree's research expertise will be invaluable to Pennington Biomedical Research Center.

Congratulations Drs. Mandal and Crabtree!
