

"There's no place like New Orleans. It's got the best food. It's got the best music. It's got the best people. It's got the most fun to do."

-Brad Pitt

The LSU School of Medicine Residency programs are located in one of the most exciting cities in the nation. The food, music, outdoor activities, nightlife, and sites are all a part of the advantages of living in this soulful city. New Orleans really does have something for everyone.
