The LSU Department of Medicine Weekly Communication

On June 19th at the Audubon Tea Room, the residency programs from Internal Medicine, Medicine-Pediatrics, and Internal Medicine-Emergency Medicine had a gathering to celebrate the graduating residents from each program. The room was filled with family, friends, and faculty and the gumbo was awesome.

Congratulations to all our graduating residents – We are so proud of you.

Dr. Jessica Bordes (IM Resident) was awarded the prestigious Resident of the Year Award at Touro Infirmary. This recognition is a testament to Dr. Bordes' exceptional dedication, hard work, and outstanding contributions to patient care and the residency program. Her commitment to excellence, compassionate care, and leadership qualities have set a high standard for all of us.

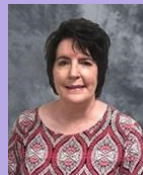

Congratulations, Dr. Bordes!

Congratulations to these Faculty Assembly Delegates who have been elected to serve for the 2024-2027 term.

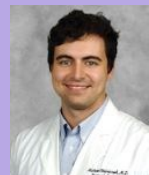

Dr. Melisa Harrington (Lafayette)

Dr. Nisha Loganantharaj (Gastroenterology)

Dr. Thomas Reske (Hematology & Oncology)

Dr. Michael Olejniczak (IM Resident) recently published this paper on outcomes after false vocal folds injections in the *Journal of Voice* with colleagues in Baton Rouge.

Congratulations!
