

# DOM NEWS BLAST

## The LSU Department of Medicine Weekly Communication

The Lafayette Residency Program held their graduation ceremony on Friday June 14th. It was a lively crowd and everyone had a wonderful time. Special Awards were given to the following individuals:

- Intern of the Year – [Ryan Falcone, MD](#)
- Resident of the Year – [Suzanne Cooper, MD](#)
- Summit Award – [Clayton Hayley, DO](#)

Congratulations to all our graduating Lafayette residents!

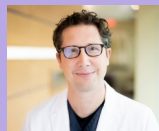

The Baton Rouge Residency Program also held their graduation ceremony on Friday June 14th. Lots of stories were told and the team had a great time celebrating their graduating residents. Special Awards were given to the following residents:

- Resident Teaching Award: [Dr. Alex Say](#)
- Chief Residents' Award: [Dr. Chris Laborde](#)

Congratulations to our graduating Baton Rouge residents!

[Dr. Jay Walker](#) and [Dr. Chris Thomas](#) (Baton Rouge - IM) as well as [Dr. Shannon Alwood](#) (Baton Rouge - EM) were authors for their clinical trial publication in the New England Journal of Medicine!

Please see the link to the article below:

[Noninvasive Ventilation for Preoxygenation during Emergency Intubation | New England Journal of Medicine \(nejm.org\)](#)

[Dr. Catherine Hudson](#) (Gastroenterology) recently gave a keynote lecture at the Alumni Scientific Session lecture. Per an attendee "Dr. Hudson had the attention of all 60+ attendees for a full hour-and that never happens. She created the perfect lecture that highlighted her expertise and made LSU alumni proud to be associated with the great work she does." Great job, Dr. Hudson!
