

School of Medicine
Office of Medical Education

Hello,

We are reaching out to you to announce the upcoming Inflammatory Bowel Disease and Intestinal Ultrasound Conference to be held Friday, November 14, 2025 at the CALS Building on LSU Health Science Center campus.

We will once again offer exhibit space during the conference. This year's conference will begin at 8:00 a.m. and end at 4:45 p.m. There are several break times built into the agenda to enable learners to visit the exhibits. We have a great agenda planned with some fantastic speakers and this year we've added a hands-on portion to the course to demonstrate the use of ultrasound in gastroenterology. The conference also includes a noon lecture to the entire LSU Department of Medicine (120+ learners). The agenda and registration information is available by visiting the course website:

https://www.medschool.lsuhschool.edu/DOM/sections/gastroenterology/educational_conferences.aspx

To access to the exhibitor contract, you can click the following link to fill out the form:

<https://forms.office.com/r/iurcELJsJp> or visit the course website to access a pdf copy. All IBD conference exhibit spaces are confirmed a first-come first-served basis with the completed agreement and payment. Exhibit space can be paid via credit card using the registration link on the website.

There are two options for exhibit space this year:

- **Exhibit with Digital Display Option (\$ 2,300)**
Exhibit space includes 2 attendees registration fees for the conference, one six-foot table, trash can, and access to power. CALS has a limited number of large digital displays that can be used as electronic banners in the exhibit and registration areas. Purchasing a digital display will give you several options for displaying your company message or brand information. We ask that any additional attendees register as attendees of the conference
- **Exhibit (\$ 2,000)**
Exhibit space includes 2 attendees registration fees for the conference, one six-foot table, trash can, and access to power. We ask that any additional attendees register as attendees of the conference.

We thank you in advance for your support and look forward to seeing you in person at the CALS Building on November 14, 2025.

Please contact me if you have any questions. Some FAQs can be found [here](#).
