The LSU Department of Medicine Weekly Communication

Dr. Thomas Reske (Geriatrics/Hematology-Oncology) serves on the Geriatric Medicine Board which held its spring meeting in late April. The ABIM Specialty Board was joined by Nancy E. Lundebjerg, MPA, Chief Executive Officer of the American Geriatrics Society (AGS) and included updates on activity at ABIM and allowed for discussion of pressing issues in the field.

The Emergency Medicine residency program recently held their graduation and a number of awards were presented to residents and faculty.
