Christmas Toy Drive

We would like to extend a special thank you to Cargill and Blessed to Be a Blessing for their generous toy donations to our Metairie clinic. Their kindness and support helped bring smiles and holiday cheer to our patients and families. We are truly grateful for their commitment to giving back and making a positive impact in our community.

DOP Leadership Academy Session

Our Leadership Academy met for the final time this year. This session highlighted the hard work, growth, and leadership development of each participant as they shared their presentations and reflected on their learning throughout the program.

You're invited to take a creative, on-brand headshot

Why take a branded headshot? Our culture is rooted in our people—it's personal, it's fun, and it's unique. We use these photos for features and provider profiles on our website.

What to wear? Business-casual attire preferred. Come camera ready!

For immediate headshot needs, questions or additional information, please contact Amelia Hatheway at Amelia.Hatheway@lcmchealth.org or Corinne Stephens at corinne.stephens@lcmchealth.org.

December Video:

How do we teach learners to "Think Like a Doctor"? How do we help learners get from data to diagnosis and treatment? How do we teach Clinical Reasoning Skills? This video (8 minutes) breaks down how experts synthesize information to make medical decisions, and how we can teach our medical students and residents to move past "novice" thinking patterns.
