LSU Pediatrics Announcements

LSU Women's Health Research Consortium

This group is designed to connect students interested in research with faculty mentors and their research ideas. While many past projects focused on women's health, we welcome all research topics that may benefit from student involvement.

We are currently building a database of research questions and projects submitted by faculty and residents. These may include chart reviews, quality improvement (QI) projects, case reports, and literature reviews. Some early-stage learners have also expressed interest in participating in prospective studies.

Once the database is complete, it will be shared with student members of the committee, who may select topics of interest, meet with principal investigators, and decide whether to move forward. The committee will provide guidance, instructional resources, and informational meetings focused on research project completion, common barriers, and best practices, while supporting students throughout the research process.

We recognize that residents and attendings have limited time, so we created a brief project submission form to make participation quick and easy and to help connect medical students with available research opportunities.

Medical Education Scholarship Community Opportunities

Are you interested in diving deeper into medical education research and scholarship? There are new opportunities to jump in. Whether you are curious to learn more, have a project in mind, or just want to connect with other educators, you are welcome in the LSU SoM community for medical education scholarship.

You're invited join as we build skills, spark new ideas, and get involved in projects that make a real difference for learners and faculty alike. The Office of Faculty Affairs invites you to collaborate:

February 26th 4-5pm - in person, Lion's Building 6th floor, small conference room 5 - **Idea Incubator** - The first in a monthly, interactive series to share ideas, get feedback, identify collaborators, or request consultation and trouble shooting. Meetings will alternate between in person and Zoom. Participants may sign up to informally present their idea.

March 2nd noon - Zoom - **Lunch and Learn** - Join for a didactic session while you eat lunch. This session will offer an overview of education scholarship, including why it matters and how to recognize the scholarship potential in work you may already be doing.

April 8th 1pm - Zoom - **Writing accountability session** - After a brief introduction, we will dedicate time to writing. Bring a project in progress or data you've been meaning to develop into an abstract or manuscript. You can write independently or use breakout rooms for feedback and help with editing.

Contact Dr. Amy Creel acree1@lsuhsc.edu for calendar invites.

Check the [Faculty Development website](#) for additional dates and information.

Deadline Extended Pediatric Research Day - Call for Abstracts Due March 6th

Submit Abstracts [Here](#)

Pediatric Research Day

2026 Pediatric Research Day

Join Manning Family Children's, LSU Pediatrics, and Tulane Pediatrics as we celebrate Pediatric Research Day on Friday, May 15th from 8 am - 5 pm in Worley Hall. Faculty and trainees of all levels will be invited to share their research.

Friday, May
15, 2026

8:00 am -
5:00 pm

Submit Abstract

<https://app.oxfordabstracts.com/stages/80710/submitter>

Call for Faculty Submissions: Pediatric Research Day 2025 Oral Presentations

Faculty are invited to submit proposals for **oral presentations of recently published pediatric research** at **Research Day 2026** the morning of **May 15, 2026**. Exact presentation times and durations will be determined based on the number of submissions and interest.

Why Present?

- **Inform the Community** about the impact of your pediatric research.
- **Teach Others** about valuable resources and methodologies.
- **Showcase Opportunities** for collaboration or further research.
- **Gain Recognition** for your contributions to the field of pediatric research.

Submit your proposal by March 6, 2026 using this [link](#). Be sure to select Faculty Presentation as the presentation method.

Get Involved in Pediatric Research Day May 15, 2026

Dear Faculty,

We are excited to announce that Pediatric Research Day will be held on Friday, May 15, 2026. Last year's event was a big success, and we are looking forward to continued growth this year. There are many ways to contribute, and we would love to have your participation! Please review [this form](#) and let us know how you would like to get involved. If you have any questions, feel free to reach out to Julie Gallois at Jgall3@lsuhsc.edu or Tamara Bradford at tbra11@lsuhsc.edu. Thank you in advance for helping us showcase the incredible research happening at our own institution!

You're invited to take a creative, on-brand headshot

Why take a branded headshot? Our culture is rooted in our people—it's personal, it's fun, and it's unique. We use these photos for features and provider profiles on our website.

What to wear? Business-casual attire preferred. Come camera ready!

For immediate headshot needs, questions or additional information, please contact Amelia Hatheway at Amelia.Hatheway@lcmchealth.org or Corinne Stephens at corinne.stephens@lcmchealth.org.

Grand Rounds

Hybrid Pediatric Grand Rounds

Manning Family
Children's
LCMC Health

“Optimizing Therapy for Pediatric AML: Past, Present, and Future Directions”

Wednesday, February 25th, 2026

Hospital Large Conference Rooms, Noon

You may join Pediatric Grand Rounds from your computer, tablet, or smartphone:

Zoom link: <https://lsuhsc.zoom.us/j/96795644737>

Meeting ID: 967 9564 4737

Register for this session by visiting <https://manningchildrens.cds.affinityced.com/>
You will login to the same site to claim your CE at the conclusion of the activity.

Objectives: At the conclusion of this activity, participants should be able to:

- Identify the two most important components of risk stratification for pediatric AML.
- Explain why attempts at therapy intensification have been unsuccessful.
- List barriers to targeted therapy design and efficacy for pediatric AML.
- Identify at least 1 emerging therapy for pediatric AML.
- Identify at least 1 non-drug advancement in management of pediatric AML.

Dr. Amanda Winters is a pediatric Hematologist/Oncologist at Children’s Hospital Colorado specializing in acute myeloid leukemia (AML) and other myeloid disorders. Her research focuses on developing precision molecular tools to detect measurable residual disease and advance novel therapies for high-risk pediatric leukemias. She is also Associate Program Director of the Pediatric Hematology/Oncology/BMT Fellowship, where she is dedicated to mentoring and medical education.

Intended audience: This activity is specifically directed towards the pediatric provider, but it is open to all interested physicians, residents, medical students, nursing, and allied health professionals.

Accreditation Manning Family Children’s is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Manning Family Children’s designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: LCMC Health Nursing Education Committee is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association - Approver, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. LSNA Provider No. 4002636

ADA Statement: In compliance with the Americans with Disabilities Act, if special accommodations are needed, please notify Catherine Mooney at 504-896-9431.

We have a new management system for CE Credits

Registration is required for Pediatric Grand Rounds. You may register for Grand Rounds up until 5pm of the day of the activity – this is to allow you time to register and evaluate after the session if participating virtually. Use [this link to access the CE Center](#) and bookmark it for easy access. The link is also available on the flyer.

At the end of the session, you will have to login to the CE Center to claim your credit. A QR code/link will be provided at the end of each Grand Rounds to

help with this.

For the instruction guide click [here](#). This will help walk you through creating an account and registering for a session.

Travel/Reimbursement Corner

Required Documentation for Direct Payment (DP) Reimbursement Requests

When requesting a reimbursement the following documentation must be included:

1. Documentation of the purchase, such as:
 - Itemized receipts OR
 - Detailed email or website receipts
 - AND
1. Proof of payment, which may include (but is not limited to):
 - A credit card statement
 - A receipt showing the last four digits of the credit card successfully charged
 - Common Allowable Items
 - Professional organization dues
 - Local conference registration fees
 - Periodical subscription renewals
 - Books or copyrighted materials
 - Employee license fees
 - Supplies

If you have any questions about whether an item meets the criteria for reimbursement, please contact me at tforr2@lsuhsc.edu.

Department Wellness

CHNOLA's childcare center open for children of providers/staff working at Children's Hospital ([flyer](#))

LSU Pediatrics Wellness Resources ([information](#))

Other Announcements

Latest Edition of The Pulse ([link](#))

Resident Education

- Resident Participation in Research ([information](#)) - complete a shared spreadsheet with a brief description of the project you are looking for collaboration or assistance with.

Department Biostatistician

- Department Biostatistician, Dr. Zhide Fang, is available to provide biostatistical support to faculty, fellows, and residents. Please see below for revised scheduling procedures:

1. Email Zhide Fang at zfang@lsuhsc.edu
2. Provide brief explanation of the service you need and, if applicable, times you are able to meet
3. Dr. Fang may request additional information depending on the nature of your request
4. Asking simple, direct questions through email is welcome at any time, but appointments are preferred

Administrative Reminders

- Importance of Time Certification ([information](#)) - learn more about why we certify time each month!
- Use of Non-LSUHSC Email ([information](#))
- Download the Department Composites for the 2025-2026 academic year! ([Resident](#), [Fellow](#), [Faculty](#), and [Admin Staff](#)).
- The Tulane Resident Composite for the 2025-2026 school year is available [here](#).
- LSU travel policy and procedures ([information](#))
- Department Poster Printing

At least 3 business days before a poster is needed in hand, send the following to Ashley Pate, apat30@lsuhsc.edu:

1. PowerPoint file
2. Size you would like the poster to be printed
3. Day you need the poster printed by
4. Is a travel tube needed?

The poster author will be copied on all correspondence with the LSU Printing and Graphics Dept. Once Ashley sends the PowerPoint file to the printer, the office will respond (usually quickly) and ask for the author's approval of the PDF proof. Please be on the lookout for an email; the author must approve before the Graphics Dept can print. Ashley will send you an email once the poster has been delivered to her office.

- Download the new Clinical [Handbook](#) and Pediatric Clerkship [Objectives](#) for Faculty, Residents, and Fellows.
- Grant Support is available through an LSU/Hanover [collaboration](#) - more information is available [here](#).
- [LSUHSC Library Research Resources](#)
- [EQUIP project proposal form](#)

Share Your News!

The department wants to highlight your success! Please send any news to include in *Tuesday Tidbits* to [Ashley Pate](#).
