Manning Family Children's Time Studies

It's that time of year again – **Manning Family Children's Annual Physician Time Studies** will be collected over the next three weeks:

Week 1: Monday, September 15 – Sunday, September 21

Week 2: Monday, September 22 – Sunday, September 28

Week 3: Monday, September 29 – Sunday, October 5

Please follow the instructions below to generate your time studies and send them to [Kelly Allerton](#). She will collect all of LSU Pediatrics' Faculty time studies on a weekly basis and sending to Manning Family Children's Accounting office as a group. In case you need it, Manning Family Children's Accounting office sent [helpful examples and instructions](#).

Generating and Printing your Weekly Time Study:

1. Complete your timesheet as you normally do in the LSU [time tracking system](#).
2. Once you record time at Manning Family Children's, you will see a button labeled "Print Hospital Time Studies" on the Timesheet Actions tab. Click that button each week and generate your Time Study. If needed, [step-by-step instructions can be found here](#).
3. If the "Print Hospital Time Studies" button does not show up, save the timesheet,

then go to the “My Timesheets” tab and click “Open Current Timesheet”. This will cause a refresh and the “Print Hospital Time Studies” button will be visible on the Timesheet Actions tab.

4. Remember to sign and date your time study.
5. **Send your time study weekly to Kelly [Allerton](#) on each of the following Mondays: September 22, 29, October 6.**

Background:

Each year the Medicare and Medicaid programs require Manning Family Children’s to conduct a time study of the physician services provided at the hospital. Completion of these forms is extremely important in determining the hospital’s reimbursements for resident training and administrative functions.

LSU Pediatrics Sweatshirt

For those interested in getting a sweatshirt, we can order them through the LSU bookstore if at least 48 shirts are requested. **We'll be placing the order on Monday, September 15th** so that they arrive by late October. The cost is **\$36 per shirt** and includes tax plus shipping/handling. Dr. Sandlin will place the order on her personal credit card but will need individuals to reimburse her no later than 9/19 via Venmo/check/cash/Zelle. If you'd like to order any of these shirts, please add your name and the size(s) to this google document. We'll send a few reminders leading up to the deadline. Thanks.

Evacuation Readiness Resources for Families with Medically Complex Children

A multidisciplinary team—including physicians, nurses, social workers, pharmacists, nutritionists, and family representatives—has created a booklet to help families with medically complex children prepare for emergencies. These booklets are available on the [Children's Hospital New Orleans Emergency Preparedness website](#) and include a QR code for easy access.

Providers are encouraged to use the smartphrase “**emerprepMFC**” in the AVS and discharge instructions to share this resource with families. Clinics are also asked to print and post the flyer in visible areas to help spread awareness.

This video features PHM fellow Dr. Jantzen Collette

September Video: Giving Feedback

Feedback is crucial for educating our learners. But it doesn't always come naturally. This video breaks down characteristics of effective feedback. And uses some scenarios to show do's and don'ts in clinical scenarios. With a run time of 12 minutes it's great to watch over lunch, during a break, or in small chunks when you have a minute to invest in education!

Dr. Veronica Gillispie-Bell is a board-certified obstetrician/gynecologist and an associate professor at Ochsner Health in New Orleans. She serves as the system medical director of health outcomes and the medical director of quality for women's services across the Ochsner Health System, and the medical director of the Minimally Invasive Center for the Treatment of Uterine Fibroids. Dr. Gillispie-Bell earned her medical degree from Meharry Medical College, completed her residency at Ochsner Health and holds a Master of Applied Science in patient safety and healthcare quality from Johns Hopkins Bloomberg School of Public Health. She also holds certification in diversity and inclusion from Cornell University.

As medical director of the Louisiana Perinatal Quality Collaborative and the Pregnancy-Associated Mortality Review for the Louisiana Department of Health, Dr. Gillispie-Bell is a leading force in improving birth outcomes and maternal health in Louisiana and across the country. Dr. Gillispie-Bell has testified before Congress, led congressional briefings, and was an invited speaker at The White House Maternal Health Day of Action, where she advocated for policy improvements in maternal care and outcomes.

Objectives: At the conclusion of this activity, participants should be able to:

1. Describe the components of quality improvement and equity in healthcare.
2. Correlate domains of equity as key components of quality improvement.
3. Evaluate aspects of their own practice with a lens of equity.

Intended audience: This activity is specifically directed towards the pediatric provider, but it is open to all interested physicians, residents, medical students, nursing, and allied health professionals.

Accreditation Manning Family Children's is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Manning Family Children's designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits[®]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: LCMC Health Nursing Education Committee is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association - Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. LSNA Provider No. 4002636

ADA Statement: In compliance with the Americans with Disabilities Act, if special accommodations are needed, please notify Catherine Mooney at 504-896-9431.
