Week 1: Monday, October 9 – Sunday, October 15

Week 2: Monday, October 16 – Sunday, October 22

Week 3: Monday, October 23 – Sunday, October 29

Please follow the instructions below to generate your time studies and send them to [Kelly Allerton](#). She will be collecting all of LSU Pediatrics' Faculty time studies on a weekly basis and sending to CHNOLA as a group.

### Generating and Printing your Weekly CHNOLA Time Study.

1. Complete your timesheet as you normally do in the [LSU time tracking system](#).
2. Once you record time at Children's Hospital, you will see a button labeled "Print Hospital Time Studies" on the Timesheet Actions tab. Click that button each week and generate your Time Study. If needed, [step-by-step instructions can be found here](#).
  - If the "Print Hospital Time Studies" button does not show up, save the timesheet, then go to the "My Timesheets" tab and click "Open Current Timesheet". This will cause a refresh and the "Print Hospital Time Studies" button will be visible on the Timesheet Actions tab.
1. Remember to sign and date your time study.
2. **Send your time study weekly to [Kelly Allerton](#) on each of the following Mondays: October 16, 23, 30.**

### Background:

Each year the Medicare and Medicaid programs require Children's Hospital to conduct a time study of the physician services provided at the Hospital. Completion of these forms is mandatory and important in determining the hospital's reimbursements from these programs.

### Administrative Staff Retreat

The Pediatrics Administrative Staff participated in a team-building retreat last week. The staff divided into the Purple and Gold teams and played indoor cornhole (thanks to the rain) and a game of trivia. The group also enjoyed some pet therapy and a history lesson of the State Street campus. Thank you to all who sent in shoutouts for the staff. The comments boosted morale and made everyone feel appreciated. Congratulations to the purple team for winning the retreat's competitive events: Sarah Brooks, Rebecca Calix, Hanh Rimmer, Tatjana Saunders, & Hannah Simon.
