LSUHSC Faculty Performance Evaluations Open

Faculty Annual Performance Evaluations opened February 3, 2025 for the review period January 1, 2024 – December 31, 2024. Division Heads will be scheduling evaluation meetings over the next several weeks. All evaluations must be complete and submitted to Kelly Allerton by **Thursday, March 6**. Please note, HR has not yet released the Faculty Evaluation Form yet. It is expected to be finalized very soon.

A few reminders:

1. If you complete a self-evaluation, please be sure to send it to Kelly Allerton in addition to your Supervisor. The self-evaluation must be uploaded along with your final evaluation.
2. Part-time faculty are included and must be evaluated.
3. Be sure to complete the evaluations in Adobe Acrobat, NOT in an internet browser and not by hand. If the form is like last year's, you'll be able to edit the percentages in the first three categories which affects the total weight of the overall evaluation rating.
4. Newly Hired Faculty: HR's [Performance Evaluation Policy](#) states that newly hired employees who have served in their positions for a minimum of 3 full calendar months during the performance year are required to be evaluated. It is recommended for employees who have been employed for less than 3 months to undergo a performance evaluation. In that case, if a supervisor believes they have had insufficient time to observe the employee's performance, no evaluation is required for the current cycle.

HR is offering a Performance Evaluation Training on February 11, 2025 1:00pm to 2:00pm, Human Development Center Room 405. This training is being offered in a hybrid format. If you wish to join through Zoom, please use the following link: <https://lsuhsc.zoom.us/j/97596141160>. If you wish to join in person, please reserve your spots below: [Downtown Campus](#).

Tameka Jackson-Dyer BASC, IBCLC, CHW, CLE/S/C is an International Board-Certified Lactation Consultant, Doula and Community Health Worker whose passion is community outreach. She holds a Bachelor of Applied Science in Health Studies from Siena Heights University,

multiple lactation certifications and has been honing her counseling and clinical skills in WIC agencies, OB/Gyn offices, Baby Friendly hospitals and homes throughout the metro Detroit area for over 15 years. Her work as Community Collaboration Consultant with Collective and previous position as Breastfeeding Subject Matter Expert with the Eastern Michigan University Center for Health Disparities, Innovations & Studies (CHDIS), along with several publications in peer-reviewed journals and international speaking engagements, allows her to provide a voice for the populations who are historically underrepresented in conversations about breastfeeding support. To ensure she reaches as many families in her community as she can, the wife and mother of three owns a private practice, CrazyMilkLadY Lactation Support Services, LLC, serves as Chair of the Metro Detroit/Wayne County Breastfeeding Coalition, is a co-founder and Executive Director of Southeast Michigan IBCLC's of Color (SEMI) and volunteers as a Sisterfriend mentor with the Detroit Birthing Project.

Objectives: At the conclusion of this activity, participants should be able to:

- Identify the ways systemic racism plays a major role in disparate breastfeeding rates
- Explore how the unique history of chattel slavery in America led to dissolution of breastfeeding as the normative first food for black infants.
- Analyze current institutional policies and social nuances that perpetuate breastfeeding disparities
- Identify culturally appropriate breastfeeding promotion strategies.

Intended audience: This activity is specifically directed towards the pediatric provider, but it is open to all interested physicians, residents, medical students, nursing, and allied health professionals.

Accreditation Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: LCMC Health Nursing Education Committee is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association - Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. LSNA Provider No. 4002636

ADA Statement: In compliance with the Americans with Disabilities Act, if special accommodations are needed, please notify Denise Graham at 504-896-9431.
