

Cannabis and Its Medicinal Potential: *State of the Research and Policy*

The Alcohol & Drug Abuse Center of Excellence (ADACE), an interdisciplinary research center of LSU Health, and Baker Donelson, a law firm of more than 700 attorneys and professionals, invite you to join a full-day discussion of the scientific, clinical and commercial aspects of medicinal cannabis legalization. Panels of subject matter experts will lead discussions about the biological and therapeutic effects of cannabis; clinical considerations and patient management; and commercialization and legislative issues related to medicinal cannabis.

Wednesday, December 14

8:50 a.m. – 5:00 p.m. CST

**Human Development Center
Auditorium, LSUHSC**
411 S. Prieur Street
New Orleans, LA 70112

Complimentary lunch will be provided.

Please make plans to join us
immediately following the event
for a networking reception.

Please [click here](#) to view the agenda and to register.
Space is limited for this complimentary event.
Please register by December 8.
