A Message from the Dean

It is often said that change is the only constant in life, and we have seen our share of change in recent months. One change that has raised questions among our faculty is the partnership agreement between LCMC and Tulane. We will remain UMCNO's primary academic partner, while East Jefferson will be the primary academic partnering hospital for Tulane.

We are not entirely certain about the impact that the closure of Tulane's hospital will have on the patient population at UMCNO. We expect that there will be an increase in stroke, cardiac and other medical and surgical patients coming to the emergency department, and this will create opportunities for growth in our programs. Hospital leaders know that they can count on LSUHSC faculty and residents to care for the people of this community, and we are working with UMCNO to improve and expand our current clinical programs, and to develop new ones. We have a good working relationship with LCMC leadership and we are restructuring our contracts to provide greater clarity for departments and faculty. We are very optimistic about LSUHSC's future partnership with UMCNO and LCMC.

Faculty are well aware that the other big changes in the school relate to new facilities. The move into the CALS building went smoothly, and all departments from 1542 Tulane Avenue are now in their new office space. It is a good step forward to have our clinical departments closer to the heart of our campus, with better access to the clinic and the hospital. Work continues on the lower floors of CALS to install AV systems in the classrooms, and to install new equipment in the third floor Wellness Center, which should open later this spring. We will begin searching for a new physician educator to guide development and coordination of the training activities in the simulation, standardized patient, and simulated emergency areas. There is great potential to enhance our clinical education at all levels in the CALS training facilities.

As we move closer to the start of the MEB renovation, we would like to thank the basic sciences departments and faculty for their patience and cooperation with the relocation plans. We owe particular thanks to Dr. Backes for his tireless efforts to accommodate investigators in their new space, and his ongoing work with Facilities. This is a challenging task to say the least. We are trying to balance the needs of our investigators to maintain successful research operations with the need of the school to prepare for the future. This is a massive renovation project, and the lab space we will have in three years will dramatically enhance our research enterprise.

Amidst all of these changes, we continue to advance our missions. We have recruited both new junior faculty, as well as mid-career faculty with prominent clinical and research achievements. We continue to improve our clinical programs, and the cycle of education is ongoing. Our students who entered the early match did exceptionally well, and the main Match Day will be on March 17. Upcoming events such as the Camp Tiger Auction and Family Day will be in-person, further signifying a return to normalcy. Amidst all of the aforementioned changes, we will graduate another class of outstanding new physicians in May and welcome another class of interns in June.

Respectfully,

Richard DiCarlo ('87)
Interim Dean

Committee of 100

The Committee of 100 —Champions of Excellence was established in 1983, with **Bernard Samuels** ('57) & **Cy Vaughn** ('58) as its founding members.

The effort aims to fund endowed chairs and professorships, which aid in the recruitment and retention of superior faculty whose research, teaching, or public service contribute to educational excellence at the LSU Health School of Medicine.

Equally important are unrestricted gifts to the Committee of 100 Fund. These gifts help to address specific needs as identified by the dean and school leadership such as facility upgrades, student development initiatives or community outreach.

Three member levels are available, which can be contributed outright or over 10 years either monthly, quarterly, bi-annually or annually.

✦ Regular Members pledge \$10,000.

✦ Double Members pledge \$20,000.

✦ Life Members pledge \$25,000 or more.

Gifts may be fulfilled through appreciated stock or other assets.

In addition, those who are 70 ½ or older can contribute up to \$100,000 from their IRA directly to a qualified charity to avoid paying income taxes on the distribution. If you file a joint tax return, your spouse can also make a charitable contribution of up to \$100,000, meaning couples can exclude up to \$200,000 of their retirement savings. Beginning in 2024, this number will be adjusted annually for inflation. It is an attractive option for taxpayers who don't need the extra taxable income from their RMDs.

The LSU Medical Alumni Association is a 501(c)(3) organization that supports the fourfold mission of the LSU Health School of Medicine – education, patient care, research, and community outreach. Your contribution is tax deductible to the extent as allowed by law.

Dr. Charles Hilton ('76) Retires, Dr. Lee Engel ('01) Named Associate Dean for Academic Affairs

Dr. Charles Hilton ('76), Associate Dean for Academic Affairs, is retiring after more than 30 years. Dr. Hilton had a tremendous impact on the LSU Health Sciences Center – New Orleans and medical education. He contributed to the development of the Student Learning Center, supervised the GME and CME operations and worked with UME leadership over the course of his career. During his tenure, his efforts ensured the success of the School of Medicine through Hurricane Katrina and the COVID-19 pandemic. Medical education in New Orleans and Louisiana have been greatly impacted by his work and his contributions over the course of his career. He will be hugely missed by his office staff and colleagues within the Health Sciences Center.

In February, **Lee Engel ('01)** was named as Dr. Hilton's successor. He received his bachelor's (BS) from The Pennsylvania State University. He worked for two years in HIV Research at Mount Sinai Medical Center in New York prior to moving to Louisiana. He received a Master's (MS) and Doctorate in Philosophy (PhD) from the Department of Microbiology, Immunology and Parasitology Department at LSU Medical Center. Dr. Engel then went on to get his medical degree at LSU and completed his residency in Internal Medicine and Infectious Disease Fellowship training at LSU and the Medical Center of Louisiana-New Orleans (Charity Hospital). Following fellowship training, he spent a year as a postdoctoral fellow in the section of Pulmonary and Critical Care Medicine before taking on the role of Associate Program Director for the Internal Medicine residency training program

in 2007. Dr. Engel is also the immediate past governor for the Louisiana Chapter of the American College of Physicians (ACP) and served on their national Health and Public Policy Committee. He comes to the position with extensive experience within the Department of Medicine, specifically with the Internal Medicine residency program. His previous roles as Program Director for the Internal Medicine Residency Program, as faculty for the Clinical Skills Integration course and for 1st and 2nd year medical students, as a hospitalist and an infectious-disease (ID) specialist, and as a basic-science-trained researcher provide the experience needed to affect the education of medical students, interns, residents, fellows and colleagues.

Dr. Engel

"I am grateful for the opportunity to continue to advance medical education here in Louisiana," Dr. Engel said. "Dr. Hilton has had an amazing impact on medical education, and I am fortunate that he has been incredibly gracious with his time, insight and guidance as I embrace this new position."

New Head of the Department of Pediatrics, Dr. Dedrick Moulton

Dr. Moulton

We are pleased to announce that Dedrick Moulton, MD, arrived in February 2023 to serve as the Department Head for Pediatrics at LSU Health New Orleans. He is also serving as the Pediatrician-in-Chief at Children's Hospital in New Orleans, LA (CHNOLA). He was previously Professor of Pediatrics at Atrium Health in Charlotte, NC. Prior to joining Atrium Health, Dr. Moulton was a faculty member at LSU School of Medicine and Vanderbilt University School of Medicine where he served as Associate Medical Director of the Monroe Carell, Jr. Children's Hospital at Vanderbilt, Nashville, TN. While at LSU, he served as Section Head of Pediatric Gastroenterology, Hepatology and Nutrition; fellowship director; and Vice-Chair for Diversity, Equity and Inclusion for the Department of Pediatrics. Dr. Moulton was also the Gastroenterology Service Line Chief at CHNOLA and Director of the Inflammatory Bowel Disease Program.

Dr. Moulton received his MD from the University of South Carolina in Columbia, SC. He completed his pediatrics residency at Palmetto Richland Memorial Hospital in Columbia, SC and both clinical and research fellowships in Gastroenterology, Hepatology and Nutrition at St. Louis Children's Hospital-Washington University, St. Louis, MO. He has received NIH and Crohn's and Colitis Foundation grants and industry contracts to conduct clinical trials, perform genetic analysis

of children with inflammatory bowel disease and to evaluate a multianalyte biomarker for distinguishing ulcerative colitis from Crohn's disease in children.

Many thanks to LSU School of Medicine and CHNOLA leadership for the successful recruitment of Dr. Moulton.

We also thank Dr. Bonnie Desselle for serving as Interim Department Head until Dr. Moulton's arrival. Dr. Desselle has a long history of excellent service to the school, the department and the hospital.

Retirement Plans for Dr. Brian Lee ('85)

Dr. Brian Lee ('85), Department Head and Program Director for Dermatology, recently announced his plan to retire effective May 2023. Dr. Lee stepped in to serve as Department Head in 2014 under difficult circumstances, and we are very grateful for his nine years of service in that role. He was appointed as Residency Program Director beginning in 2002 and has continued to hold that position. Under his leadership, the residency program grew to one of the larger programs in the nation, maintained a 100% board passage rate and always received excellent scores in reaccreditation reviews.

Dr. Lee graduated from LSUHSC-New Orleans School of Medicine in 1985, completed an internship in internal medicine in Memphis and returned to New Orleans to complete a residency in dermatology at LSU. He served as Chief Resident before joining the faculty in 1989. He has

served in many roles and received many accolades in his 33 years on the faculty. He was Chief of Dermatology at the Southeast Louisiana Veterans Affairs Hospital, and he served as a course director and advisor to medical students for more than 20 years. Dr. Lee has given numerous invited presentations nationally; he is frequently recognized as a top dermatologist in New Orleans, and he has been elected to the Alpha Omega Alpha (AOA) medical honor society. We are very thankful for his numerous contributions to education, the department, the School of Medicine, to our patients and our community.

NEW BOOK RELEASES

Saving Grace, by David D. Alfery ('76)

Dr. Alfery

David D. Alfery ('76), a Life Member of the Committee of 100, has a book published by Wipf and Stock Publishing on January 10, 2023. The title is *SAVING GRACE: What Patients Teach Their Doctors About Life, Death, and the Balance in Between*. As noted on the back cover, it has been reviewed with enthusiasm by four NY Times best-selling medical authors. Dr. Alfery is an anesthesiologist in Nashville, TN, where he was also an adjunct associate professor of anesthesiology at Vanderbilt University Medical Center. He has served as a chief of anesthesia in one of Nashville's premier hospitals, and is a past president of the Tennessee Society of Anesthesiology. He has invented four anesthesia devices that have sold worldwide. For more information about his book, visit Savinggracebook.com.

A Broad Abroad's Photo Journal, by Carolyn Sue Walters

Carolyn Sue Walters MHS, MT(ASCP), an alumna of the LSU School of Health Professions and a retired Associate Professor with tenure in the LSU School of Medicine Department of Pathology, recently published *A Broad Abroad's Photo Journal: Life with U.S. Army Service Clubs in 1960s Germany*. This photo journal presents the work and leisure activities of Miss Walters as a Recreation Director in U.S. Army Service Clubs in Germany in the early to mid-1960s. The journal describes her assignments in West Germany from June 1962 thru December 1966. It contains more than 1000 photos. For more than 30 years she was laboratory coordinator of the clinical pathology course for the second-year medical students at LSUSOM. She retired in 2005.

in several bands. Hiking, biking, and river rafting.”

'71

Phillip B. Bandel, Yantis, TX – “Dee and I enjoyed our 50th class reunion – Thank all of you that made that possible! Drago’s was great! We retired October, 2019, and moved from Paris, TX, to a home on Lake Fork in East Texas. Lake Fork is a premier Bass fishing lake, but I have fished three times in three years! We enjoy traveling – on our way to Antarctica in February. Best to everyone!”

Emile Latour, Orange Park, FL – “Ending 10th year of retirement. Enjoying every day. 10 grandchildren to visit & spoil.”

Bennie Nobles, New Orleans, LA – “So honored to be a part of the LSU healthcare family and contribute to the support and education of our future physicians. I’m still blessed to work with the New Orleans Mission to assist the homeless population here. It’s my high-paying job that I pay to work. My bride, Nancy, also volunteers at the local foodbank.”

'75

Bob St. Amant, Baton Rouge, LA – “After practicing 22 years in Family Medicine, I specialized in clinical Lipidology serving as Medical Director of a lipid clinic for the past 11 years. I retired in March of 2022. Time well spent now

TEDx Talk

Sonal (Saxena) Patel, MD, completed her Pediatric Residency Program at LSU Medical Center (graduating in 2006) and a partial fellowship in Neonatology (2006-2008), which was completed at Tufts Medical Center. She recently delivered a TEDx Talk that TED deemed as valuable and timely information. Currently, it has garnered over 22k views. She is currently practicing in Denver, Colorado.

She offers the following insights about her presentation:

With my personal and professional experience, I realized the huge gaps in postpartum care and its relationship to the US’s dismal maternal mortality rate. Thus, I opened my own company to change postpartum medical care.

My TEDx Talk answers

- 1) *What is the 4th trimester?*
- 2) *Why are more maternal deaths occurring during this trimester?*
- 3) *What does it mean to the US economy?*
- 4) *And a viable solution.*

~ In Memoriam ~

Jorge I. Martinez-Lopez ('51), who passed away on July 27, 2022, had two simultaneous long and successful careers: as a practicing physician and medical educator, and in the military. A distinguished cardiologist, he provided top-notch clinical care for patients and taught large numbers of medical students, residents, and fellows as a full Professor at Louisiana State University Medical Center at New Orleans for 29 years; three of his own sons were even privileged to enjoy his tutorship. After his move to El Paso, he was a full Professor at the Texas Tech University Health Sciences Center in El Paso, where he also assisted in the founding of and development of the clinical curriculum for the Paul L. Foster School of Medicine. Following another 29 years of educating future physicians, he impressively retired at the age of 90. During his many years as an educator, he was also a prolific medical writer, having penned and edited over 400 publications.

Dr. Martinez-Lopez

Lawrence "Larry" Dautenhahn ('88) of Aztec, NM, passed away peacefully at his home on September 6, 2021. Born on October 25, 1961, in Lima, Ohio, he graduated from Slidell High School, Louisiana State University and Louisiana State University School of Medicine in New Orleans, LA. He completed his Diagnostic Radiology residency at the University of South Florida College of Medicine in Tampa and a fellowship in Pediatric Radiology at The Hospital for Sick Children in Toronto, Ontario. He spent many years teaching at University Medical Center in Jackson, MS, as well as working as a radiologist in the Jackson, MS, area. In 2013, he and his wife moved to Farmington, NM, where he became a senior partner Interventional Radiologist of X-Ray Associates of New Mexico.

Past President

From your Alumni Office. . .

Dear All,

Our office is actively planning reunions scheduled for June, 2023.

As usual, the Committee of 100 banquet will start the festivities on Thursday, June 8, 2023. Our host hotel is the Marriott at 555 Canal St in New Orleans. The Friday cocktail reception will be held on Friday, June 9, and the Scientific Session (with CME credit) on Saturday, June 10.

The Class of '73 will be honored at a Saturday luncheon, receiving their 50-year diplomas.

Reunions being held this year are classes of '63, '68, '73, '78, '83, '88, '93 '98, '03, '08 and '13.

The Saturday night reunion parties have been booked at a variety of venues across the city, ranging from Rock-n-Bowl to Antoine's and Galatoire's.

We are still in the process of planning this year's gala and will be sending information as plans progress.

As always, feel free to contact the Alumni Office with any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Cathi Fontenot". The signature is written in a cursive, flowing style.
