Dr. Jennifer Manning is the Associate Dean of Undergraduate Programs at LSU Health New Orleans School of Nursing and an Associate Professor of Clinical Nursing. She is serving in her second term on the Louisiana State Board of Nursing. She serves on the Board of Directors for the National Association of Clinical Nurse Specialists. Dr. Manning serves as a Clinical Researcher at East Jefferson General Hospital.

Dr. Manning began her career as a basic science researcher in a research lab focused on investigating the causes and treatments for hypertension in animal and cell models. She has conducted research in a variety of areas which include end-of-life patient care, critical care nursing, nursing leadership and improving nurse work environments.
