I understand that I am not considered a registered donor until this **fully completed and notarized Donation Agreement** has been on file with the Bureau for **30 days**. If my body is acceptable, I authorize release of pertinent radiographs and information from my medical records to the Bureau of Anatomical Services to be used **anonymously**, only for scientific and educational purposes.

I understand that following utilization of my body for medical research or education which may require **three years or longer** to complete, the final disposition of my body will be by cremation.
