### **FIELDS OF SPECIALIZATION**

Child Clinical Psychology  
Infant Mental Health  
Trauma

### **EDUCATION**

- August 2003 **Doctor of Philosophy, Clinical Psychology**  
University of Memphis, Memphis, Tennessee  
Specialty area: Child Clinical Psychology  
Major Professor: Sarah Raz, Ph.D.  
Dissertation Topic: Cognitive, Motor, and Behavioral Outcome Associated  
With Chronic and Acute Placental Pathology
- July 2003 **Predoctoral Internship**  
Louisiana State University Health Sciences Center, New Orleans, LA  
*Harris Infant Mental Health Fellowship Certificate*
- October 2001 **Comprehensive Examination: Areas of concentration:** Treatment of  
adolescent depression, Narrative therapy with children, Placental  
pathology and developmental outcome, Childhood traumatic head injury  
and developmental outcome
- August 2001 **Masters of Science**  
University of Memphis, Memphis, TN  
Specialty area: child clinical psychology: Thesis: Developmental  
Outcome of Children Born to Women with Preeclampsia
- May 1996 **Bachelor of Arts**  
Washington University, St. Louis, Missouri  
Major: Psychology; Minor: Art History  
Honors: Phi Beta Kappa, graduated Summa Cum Laude, honors in  
psychology

**LICENSURE:** Louisiana State License #971, Clinical Psychology (Granted 10/29/04)

## PROFESSIONAL CLINICAL EXPERIENCE

8/04 – Present **Assistant Professor of Clinical Psychiatry**  
**Louisiana State University Health Sciences Center**  
**New Orleans, Louisiana**

- **Early Trauma Treatment Network: LSUHSC Site Project Coordinator and Clinician (SAMHSA funded grant, 8/04 – present).** Provide Child Parent Psychotherapy for children, ages zero through five, in clinic settings, military settings, and Head Start centers.
- **Louisiana Rural Trauma Services Center: Training Coordinator and Clinician (SAMHSA funded grant, 8/04 - present).** Provide school-based mental health services (outpatient and day treatment) and train clinicians on empirically validated treatment protocols for trauma.
- **Louisiana Office of Community Services: Contracted Provider (7/09 – present).** Conduct evaluations and treatment for children and families in the foster care system.
- **St. Bernard Parish Drug Court: Contracted Clinician (2/07 – present).** Provide individual and group psychotherapy as well as parent training for juveniles and adults who have substance abuse and co-morbid diagnoses.
- **St. Bernard Family Resiliency Project: Project Coordinator and Clinician (Baptist Community Ministries funded grant; 11/05 – present).** Provide mental health services including psycho-education for teachers and individual, family, and group psychotherapy for students in St. Bernard Parish Schools
- **LSUHSC First Responder Program: Clinician (11/05 – present).** Coordinate and provide mental health services for firefighters and police officers in St. Bernard and Orleans Parishes.
- **LSUHSC Outpatient Clinic/Behavioral Sciences Center: Clinician (8/04 – present).** Provide a variety of psychotherapeutic and evaluative services to children and adults at an outpatient clinic.
- **Violence Intervention Program/Victims Assistance Program: Clinician (8/04 – present).** Staff a 24-hour hotline and provide psychotherapy for traumatized children and adults.
- **Enhancing Head Start Readiness for High-Risk Children: Program Coordinator, Volunteer Trainer, and Group Facilitator (NICHD funded grant, 8/04 -1/07).** Supervise and provide parent training for adolescent mothers.
- **Pediatric Mental Health Division: Faculty and Clinician (8/04 – 8/05).** Provide training to pediatric residents and onsite psychotherapy to children at the LSUHSC Pediatric Clinic.

## CLINICAL TRAINING EXPERIENCE

7/03 – 8/04 **Postdoctoral Fellowship in Clinical Psychology**  
**LSU Health Sciences Center, New Orleans, LA**

Supervisors: Joy Osofsky, Ph.D., Amy Dickson, Psy.D.

- **LSUHSC Outpatient Clinic and the Violence Intervention Program:** Provided diagnostic and therapeutic services to children, adolescents, adults, and families. Staffed a 24-hour hotline and directly responded to community crises (e.g. school shootings) involving children in the New Orleans and rural Louisiana areas.
- **Early Trauma Treatment Network: LSUHSC Site Project Coordinator:** Coordinated a SAMHSA/NCTSN sponsored evaluation of Child Parent Psychotherapy in collaboration with the University of California at San Francisco, Tulane University Medical Center, and Boston Medical Center. Provided a variety of diagnostic and psychotherapeutic services to children and families who have experienced trauma.

7/02 – 7/03

**Predoctoral Internship in Clinical Psychology  
LSU Health Sciences Center, New Orleans, LA**

Supervisors: Joy Osofsky, Ph.D., Amy Dickson, Psy.D., Byron Hammer, M.D., Jean Valliere, LCSW.

- **Harris Infant Mental Health Fellowship:** Participated in weekly didactic seminars on infant mental health and conducting individual and family therapy for infants and children between the ages of 0 and 5.
- **Orleans Parish Permanency Infant Team:** Provided training for OCS case workers on issues related to infant mental health, provided consultative, diagnostic, and therapeutic psychological services to infants, children, and their families, conducted psychological assessments of cognitive, developmental, and relational functioning, and integrated data into comprehensive forensic reports used to determine and implement recommendations for the court.
- **Preschool Consultant:** Provided training for teachers and staff and conducted individual and family psychotherapy with identified children.
- **LSUHSC Child and Adolescent Outpatient Clinic:** Provided evaluative and therapeutic services for children ages 6 to 18 with a variety of presenting problems.
- **Violence Intervention Program:** Provided outpatient services for children and families impacted by community or domestic violence. Provided psycho-education for first responders regarding the effects of exposure to violence and responded to crises in the New Orleans community involving children.

8/97-5/02

**Clinical Psychology Practicum  
The University of Memphis, Memphis, TN  
Psychological Services Center**

Supervisors: Sam Morgan, Ph.D., Theresa Okhumubua, Ph.D., Dave Van Brunt, Ph.D., Jim Whelan, Ph.D., Maggie Debon, Ph.D., Robert Neimeyer, Ph.D., Heidi Levitt, Ph.D.

Provided individual and family therapy for child, adolescent, and adult clients with a variety of presenting problems including mood and anxiety disorders, conduct and oppositional disorders, interpersonal difficulties, adjustment to divorce and grief, and enuresis. Conducted comprehensive psycho-educational and personality assessments of children, adolescents, and adults.

8/99-12/00                    **Clinical Psychology Practicum**  
**Exchange Club Family Center, Memphis, TN**  
Supervisor: Charlotte Freeman, Ph.D.

Conducted assessments and provided individual and family therapy for clients who experienced domestic violence or child abuse. Led group therapy for children who witnessed domestic violence; provided parent training for parents of at-risk children, and conducted custody evaluations and forensic assessment of domestic violence offenders.

8/99-8/00                    **Clinical Psychology Practicum**  
**Memphis Regional Planned Parenthood, Memphis, TN**  
Supervisor: Martha Foschini, Ph.D.

Provided individual and group counseling for pregnant women. Designed and wrote a pamphlet explaining emotional effects and coping mechanisms after abortion. Designed and wrote grants for an HIV testing and counseling program and developed a protocol for a midlife clinic.

5/98-8/98                    **Informal Clinical Psychology Practicum**  
**St. Joseph Hospital—Child and Youth Inpatient Unit**  
**Memphis, TN**  
Supervisor: Tom Edwards, LCSW

Co-facilitated individual, family, and group psychotherapy for children and adolescents with severe emotional and behavioral problems. Assisted in treatment planning and participated in staff and supervision meetings.

## **VOLUNTEER EXPERIENCE**

8/95-5/96                    **Foster Care Volunteer, Salvation Army Hope Center,**  
**Foster Care Division; St. Louis, MO**  
Supervisor: Angie Sellenreik, LCSW

Conducted and wrote home studies for prospective foster parents. Conducted monthly home visits and reported on foster children to ensure appropriate placement. Attended court hearings, social services meetings, teacher conferences, and permanency planning reviews related to placement of children and termination of parental rights.

8/93-5/95                    **Action against Child Abuse Program Leader and Volunteer**

**Salvation Army Hope Center, Epworth Children's Home,  
and Faith House, St. Louis, MO  
Project Coordinator**

Provided care, tutored, and mentored drug exposed, severely abused, and oppositional children and adolescents in inpatient settings. Organized and supervised student volunteers' activities and coordinated and fostered relationships between community organizations and Washington University's student volunteers.

**RESEARCH POSITIONS**

9/05 – present                    **Researcher, LSU Health Sciences Center  
Post-Hurricane Katrina Research Program**

Researcher at LSUHSC for a variety of projects including program evaluation, treatment efficacy studies, and Hurricane Katrina research. Involved in all aspects of data collection, data evaluation, and publication.

10/04 – present                    **LSUHSC Site Research Coordinator  
Infant/Toddler/Preschool Trauma Initiative**

Co-evaluator for a New York Mount Sinai School of Medicine study on the impact of the September 11<sup>th</sup> attacks on parent child relationships. Code videotaped Parent-Child Interactions and analyze and report data.

7/03 – present                    **LSUHSC Site Research Coordinator  
Florida Infant Mental Health Program**

Co-evaluator for a 3-site Florida Infant Mental Health Program on dyadic therapy for children in the foster care system. Code videotaped Parent-Child Interactions and analyze and report data.

7/03 – 1/07                    **Project Coordinator, LSUHSC and Oschner Clinic Foundation  
Enhancing Head Start Readiness for High Risk Children**

Collaborate with researchers at the Universities of Notre Dame and South Alabama on designing and implementing an NICHD research project entitled *Enhancing Head Start Readiness for High-Risk Children*. Train volunteers and facilitate parent education groups for adolescent mothers.

7/96-5/02                    **Graduate Research Assistant, The University of Memphis  
Developmental Neuropsychology Laboratory  
Supervisor: Sarah Raz, Ph.D.**

Project coordinator for an NICHD study on perinatal risk. Assessed children from at-risk populations, utilizing measures of cognitive, motor, neurological, and language abilities, and provided feedback and appropriate referrals to parents. Trained student evaluators in test administration and laboratory procedures, recruited study participants, and maintained data files.

1/99-1/01                    **Graduate Research Assistant,  
St. Jude Children’s Research Hospital; Memphis, Tennessee  
Behavioral Medicine Department; “The Barney Project”—  
Reducing anxiety and distress in children undergoing  
radiation therapy.**  
Supervisors: Vita Tyc, Ph.D., Thomas Merchant M.D.

Assisted in the design and implementation of a “Barney” intervention to decrease anxiety in children undergoing radiation therapy. Coded behavioral indicators of children’s distress and anxiety during radiation therapy. Maintained and analyzed data files.

8/96-8/97                    **Graduate Research Assistant, The University of Memphis;  
Balancing Marriage and Family Project**  
Supervisor: Katherine Kitzman, Ph.D.

Recruited study participants, administered assessment questionnaires, and coded parent-child behavioral interactions for a study on family interaction, marital satisfaction, and child functioning.

8/95-5/96                    **Undergraduate Honors Research in Psychology  
Washington University; St. Louis, Missouri**  
Supervisor: Michael Strube, Ph.D.

Conducted independent research on children’s perception of exaggeration and its effects on self-performance ratings.

5/95-7/95                    **Undergraduate Research Assistant  
St. Jude’s Children’s Research Hospital; Memphis, Tennessee**  
Supervisor: Raymond Mulhern, Ph.D.

Research assistant for two studies, The effects of radiation on gray/white matter and IQ and The effects of cancer survival on sports participation. Analyzed MRI brain scans, interpreted statistical analyses, and assisted in writing presentations.

1/95-5/95                    **Undergraduate Research Assistant  
Social Psychology Laboratory  
Washington University; St. Louis, Missouri**  
Supervisor: Michael Strube, Ph.D.

Administered research protocol and entered data for a study on halo bias.

## **TEACHING EXPERIENCE**

### **Regional/National Trainings**

- 1/10 – present**      **Relationship Based Assessment -- Crowell Training and Coding**  
Training and ongoing consultation to clinicians and research from the “baby court” in Flint, Michigan.
- 10/09 – present**      **Child Parent Psychotherapy Learning Collaborative**  
Trainings in New Orleans, LA; monthly clinician and supervisor consultation calls.
- 11/08 – 5/09**      **Child Parent Psychotherapy Advanced Training**  
**Linda Ray Intervention Center, Miami, FL**  
Training and monthly conference calls
- 10/06 – 0709**      **Child Parent Psychotherapy Learning Collaborative**  
Trainings in California, North Carolina, Maine, New York, and Florida; monthly consultation calls.
- 11/05 – 2/07**      **Infant Mental Health Training and Consultation**  
**Children’s Psychiatric Center, Miami, FL**
- 5/05 – 5/06**      **Infant Mental Health Training**  
**Florida State University, Tallahassee, FL**

### **LSUHSC Post Graduate Level Training**

- 7/03 – present**      **LSU Health Sciences Center**  
**Pre-Doctoral Psychology Seminar**  
**Selected Classes:**
- Psychological Effects of Trauma
  - Constructivist Psychotherapy Case Conceptualization
  - Emotion-Focused Psychotherapy Case Conceptualization
  - Feminist Psychotherapy Case Conceptualization
  - Multicultural Case Conceptualization.
  - Preschool IQ Assessment
  - Reflective Supervision
- 7/03 – present**      **LSU Health Sciences Center**  
**Harris Infant Mental Health Seminar**  
**Selected Classes:**

- Introduction to Attachment
- Child Parent Psychotherapy
- Relational Assessment and Coding
- Diagnostic Classification 0-3 Revised
- Play Therapy
- Feeding Disorders
- Bayley Scales of Infant Development
- Romanian Orphanages
- Prenatal Drug Exposure
- Neurobiological Effects of Trauma

**7/03 – present**

**LSU Health Sciences Center  
Lifespan Development (2<sup>nd</sup> year psychiatry residents)  
Selected Classes:**

- Learning Theory
- Attachment

**7/06 – present**

**Supervision of Psychology Pre-doctoral and Post-doctoral  
Interns and Psychiatry Residents**

- Current Supervisees: Michele Moore, Ph.D., Lisa Schuster, M.A., Jamie Hanna, M.D.
- Past Supervisees: Adrienne Brennan, Ph.D, Amy Henke, Ph.D., Lakeisha Williams, M.D., and Brandi Gilmore, M.D.

### **LSUHSC Medical Student Training**

**7/04 – present**

**LSU Health Sciences Center  
Science and Practice of Medicine– Freshman Clinical Forums**

### **The University of Memphis Graduate Level Courses**

Spring 2002

**The University of Memphis, Teaching Assistant  
Research Methods and Design  
Supervisor: Jeffrey Berman, Ph.D.**

Fall 2001  
Spring 2002

**The University of Memphis, Instructor  
Introduction to Psychology: Social Bases of Behavior  
Supervisor: Michael Lupfer, Ph.D.**

**Introduction to Psychology: Biological Bases of Behavior  
Supervisor: Michael Lupfer, Ph.D.**
