

Summer Research Internship Program Medical Students

Application deadline is 5:00 pm, February 1st

REQUIRED DOCUMENTS

- Completed application form
- Cover letter describing research interests and career goals
- Resume describing schools attended, previous job experience and relevant accomplishments

ELIGIBILITY REQUIREMENTS

- Only LSUHSC – New Orleans Medical Students are eligible to apply.
- Students must be available during all dates of the program.

SELECTION

Once your completed application packet is submitted, it will be reviewed by the Summer Research Program Committee. The Committee will make the selections and candidates will be informed of their status. Once a student has been accepted into the program they should meet with Dr. Gregory to identify a mentor.

REQUIREMENTS AND EXPECTATIONS

- Conduct your own small research project or work on part of an ongoing research project.
- Attend weekly seminar series that will introduce you to rapidly progressing medical and basic research areas at LSUHSC.
- Complete CITI training (Basic Biomedical).
- Be willing to complete all Compliance Training, Conflict of Interest Forms and/or any other training deemed necessary for your internship as soon as it is received.
- Report to work on time as designated by mentor to work on assigned research project.
- Present a poster at Medical Student Research Day held during the Fall semester.

STIPENDS

Summer stipends for medical students will be received in **three (3)** increments over the course of the summer.
