

LSU Health Sciences Center New Orleans – Student Health Online Health Form

WELCOME!

Student Health Services

Before Starting Your Online Application

Welcome to Student Health Online Health Form. All registered students at LSU Health Sciences Center must comply with directives of Student Health Immunizations and selected bloodwork (titers which are mandatory for certain schools).

Before starting your online application, please make sure you have the required documents below and they must be uploaded in order to submit your form:

1. **Personal Information (Completed, Signed and Dated).**
2. **Immunization History and Lab Work (completed)**
** Serology/Bloodwork Report includes: Varicella, MMR, HepB, Tdap, Meningitis!
*** **Numerical Results are needed for ALL Titers & Hep B)**
3. **TB Screen (Annually).**
4. **Flu Vaccination (Annually).**
5. **COVID Vaccine.**

- Your name must be on all documentation & vaccine results.
- If you are refusing any vaccinations, “Refusal of Vaccination” form will be available to complete (hospitals require certain vaccines for clinical rotations).
- If you have a Positive TB, a TB Screen form must be submitted (also available online).
- You will be able to save entered information; but you **WILL NOT** be able to submit your form until all required documents are uploaded.
- Once approved, you will receive an email from Student Health Services.

As of: 5.17.24

If you have any questions concerning the required documentation needed for your online application; please call Student Health Services at (504) 578-1800 or email us at studenthealthstaff@lsuhsc.edu.

- Hours of operations are Mon-Fri: 8am – 4:30pm
