website

### LSU Pediatrics Announcements

#### LSU Pediatrics Holiday Volunteer Opportunity with Second Harvest Food Bank

This holiday season, LSU is joining Second Harvest Food Bank in fundraising and distributing turkey dinner boxes to 100 Children's Hospital patient families! Please see below for ways to volunteer this holiday season.

#### Donate:

The average family spends up to \$65 on a Thanksgiving dinner each year. To help the families of our patients who are in need this season, we have set up a fundraising page for donations to help cover the costs of the turkey dinner boxes that will be distributed. Our goal is \$3,500!

[Second Harvest | LSU Pediatrics Donation Website](#)

#### Pack Boxes:

Gather together to help prepare 100 turkey dinner boxes on November 9th from 4:30pm -6:30pm at Second Harvest Food Bank.

[Volunteer Sign up Sheet](#)

#### Pick-up Day:

Greet the families with a smile and a fully packed turkey dinner box as they drive through our distribution pick-up zone on the morning of November 11th in front of the State Street Building.

[Volunteer Sign up Sheet](#)

#### Delivery (possibly)

To reach as many families as possible, we are working out the logistics of a delivery-

to-home option for those who are unable to pick up on the morning of November 11th. Feel free to sign up if delivering boxes to families interests you. More information to come!

## CHNOLA Time Studies - Please Send Week 2

It's that time of year again –CHNOLA's Annual Physician Time Studies will be collected over the next three weeks:

Week 1: Monday, October 9 – Sunday, October 15

Week 2: Monday, October 16 – Sunday, October 22

Week 3: Monday, October 23 – Sunday, October 29

Please follow the instructions below to generate your time studies and send them to [Kelly Allerton](#). She will be collecting all of LSU Pediatrics' Faculty time studies on a weekly basis and sending to CHNOLA as a group.

### Generating and Printing your Weekly CHNOLA Time Study.

1. Complete your timesheet as you normally do in the [LSU time tracking system](#).
2. Once you record time at Children's Hospital, you will see a button labeled "Print Hospital Time Studies" on the Timesheet Actions tab. Click that button each week and generate your Time Study. If needed, [step-by-step instructions can be found here](#).
  - If the "Print Hospital Time Studies" button does not show up, save the timesheet, then go to the "My Timesheets" tab and click "Open Current Timesheet". This will cause a refresh and the "Print Hospital Time Studies" button will be visible on the Timesheet Actions tab.
1. Remember to sign and date your time study.
2. **Send your time study weekly to [Kelly Allerton](#) on each of the following Mondays: October 16, 23, 30.**

### Background:

Each year the Medicare and Medicaid programs require Children's Hospital to conduct a time study of the physician services provided at the Hospital. Completion of these forms is mandatory and important in determining the hospital's reimbursements from these programs.

## Genetics Rotation Research Presentation

Medical students Michael Connick(pictured) and Sloane Clay presented posters in the Dr. Moersbaecher Graduate Studies Annual Research Day, on patients seen after their Genetics rotation! So proud of the LSUHSC medical students and their passion for learning!

All residents and students are welcome to come to genetics!

# FACULTY DEVELOPMENT

*New video monthly*

## October Video: Social Media as an Academic Tool

Dr. Isa Ashoor shares information on harnessing the power of the social media. In this fact filled video (just over 15 minutes), he demonstrates everything from Twitter/X sign up to uses for advocacy, education, and professional development.

<https://drive.google.com/file/d/1rduL1BZ-W-Vysmd08kTN5hjLXurCnvar/view?usp=sharing>

Please send any suggestions or areas of faculty development need to [acree1@lsuhsc.edu](mailto:acree1@lsuhsc.edu).

Jessica Gautreaux, MD, FAAN, FAHS, specializes in Child Neurology at Children's Hospital New Orleans. She attended medical school and completed her residency training at LSU Health New Orleans. Dr. Gautreaux is certified by the American Board of Psychiatry and Neurology with special qualification in Child Neurology. She is additionally certified by the United Council of Neurological Subspecialties in Headache Medicine. Dr. Gautreaux serves as the Director of the Headache Center at Children's Hospital New Orleans. She also serves as an Associate Professor of Child Neurology at LSU Health New Orleans. Dr. Gautreaux is presenting this Grand Rounds on behalf of the American Headache Society.

Objectives: At the conclusion of this activity, participants should be able to:

1. Identify migraine as a prevalent and disabling neurological condition in children and adolescents
2. Differentiate primary and secondary headache disorders to drive diagnosis in patients with presumed migraine
3. Identify patients in need of imaging or subspecialist involvement
4. Develop a plan for treating migraine acutely and reducing attack frequency through preventive measures

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

Accreditation: Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation: Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.

## Department Wellness
