LSU Pediatrics Announcements

Welcome New Faculty

LSU Pediatrics welcomed Parvin Dorostkar, MD to the department last month. Dr. Dorostkar is joining as Associate Professor of Clinical Pediatrics in the Cardiology Division. The CICU physician received her medical degree from University of Nevada in Reno. She completed her Pediatric internship and residency at University of Utah in Salt Lake City. Dr. Dorostkar completed two fellowships: Pediatric Cardiology at University of Michigan in Ann Arbor and Pediatric Critical Care at Hospital for Sick Children in Toronto. She also holds two masters degrees: Biostatistics from University of Michigan and an Executive Masters of Business Administration from Case Western Reserve University in Cleveland. Please give Dr. Dorostkar a warm LSU Peds welcome when you meet her!

Dr. Tamara Bradford Wins CDC's Charles Shepard Award

Congratulations to Dr. Tamara Bradford for contributing as an author to [a NEJM article](#) which won the 2022 Charles Shepard Award in the category of Prevention and Control. The award recognizes the most outstanding study published in conjunction with the CDC.

Dr. Shubho Sarkar Named Fellow of the American Medical Informatics Association

Congratulations to Dr. Shubho Sarkar who was recently named a Fellow of the American Medical Informatics Association. This achievement signals to patients, employers, and colleagues that he is an expert in evidence-based informatics practice and engaged with a community of life-long learners who apply the latest advances in informatics to improve health and health care. Dr. Sarkar will be honored along with 70 FAMIA recipients for his contributions to informatics and AMIA at the AMIA 2023 Clinical Informatics Conference next year.

Dr. Alexis Morvant Honored as a Health Care Hero

CityBusiness honored Dr. Alexis Morvant as a Health Care Hero last week at an event at the New Orleans Museum of Art. Health Care Heroes honors health care professionals in the New Orleans area in the following categories: first responders, nursing, physicians, professionals and volunteers. Honorees are selected annually based on industry achievement and community involvement. Congratulations, Dr. Morvant!

Halloween at CHNOLA

Endocrinology won the CHNOLA group costume contest as characters from the board game Clue.

CHNOLA Office of Medical Education as the Sanderson Sisters from *Hocus Pocus*.

**Save the Date:
LSU Pediatrics Holiday Party**

Please send in your favorite holiday picture from your childhood or a recent picture of you/your family during the holidays. Email it to [Taylor Rogge](#) who will put a slideshow together for the party.

LSU DEPARTMENT OF PEDIATRICS
INVITES YOU TO A

HOLIDAY Party!

Friday, December 16, 2022
12 PM - 2 PM

Large Hospital Conference Room
Children's Hospital New Orleans
Lunch will be served

APEX Teaching Program - PAS Cohort Participant Recruitment Now Open

If you are a pediatrician, subspecialist, or a pediatric surgeon who is interested in improving your teaching skills, the offering below is for you!

The application process for the Advancing Pediatric Educator eXcellence (APEX) Teaching Program's cohort scheduled to coincide with the Pediatric Academic Societies (PAS) Conference in 2023 is now open.

The APEX Teaching Program is a unique longitudinal national program that offers highly interactive learning opportunities and fosters an ongoing exchange of ideas and best practices. Participants will learn new teaching techniques, enhance current skills, and work with a local mentor, along with leaders in the field of pediatric medical education to build a new set of capabilities.

For details on the APEX Teaching Program and to access the application, please visit: [Advancing Pediatric Educator Excellence \(APEX\) Teaching Program](#). [See promotional flyer here](#).

Applications for the APEX Teaching Program PAS 2023-2024 cohort are due November 15th!

LSU Pediatrics Sweatshirts

Anyone interested in purchasing a grey LSU Pediatrics Sweatshirt, email Kelly Allerton with your name and sweatshirt size. The cost is \$32.99 which you can Venmo to @Kelly-Allerton (cash/checks also accepted). Deadline to order is November 11.

FACULTY DEVELOPMENT

New video monthly

November Video: Zoom Tips for Teachers

In this season of Thanksgiving, I'm thankful for our amazing faculty and our dedication to excellence in education! This is a very short (under 3 minutes!) video with 10 quick tips for ZOOM. Most of us are attending lots of Zoom meetings and teaching sessions, so this month and for a few to come let's use this space to focus on improving our experience and that of our learners.

<https://www.youtube.com/watch?v=8TIII8MRtSO>

Please send any suggestions or areas of faculty development need to acree1@lsuhsc.edu.

If you are interested in other forms of Faculty Development, visit these websites:

"Breastfeeding: Updates and New AAP Policy Changes"

Wednesday, November 2, 2022

Large Conference Rooms, Noon

You may join Pediatric Grand Rounds in person or from your computer, tablet, or smartphone:

To receive CME or CEU Credit in person or online, you **MUST** register through EventBrite.

Register here: <https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807>

Zoom link: <https://lsuhsc.zoom.us/j/95665388600>

Meeting ID: 956 6538 8600

Note: This is a live activity. The link is only valid from noon – 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please register and join the activity via EventBrite to receive credit.

Ashley Farge, MD, is an Assistant Professor of Clinical Pediatrics for LSU Department of Pediatrics and a General Pediatrician. Dr. Farge attended medical school at LSUHSC and then continued her training with Pediatric Internship and Residency, also at LSUHSC in New Orleans. After a short time away, Dr. Farge returned to New Orleans in 2019. She is also a Certified Lactation Counselor.

Julie Gallois, MD, is an Assistant Professor of Clinical Pediatrics for LSU Department of Pediatrics and a board-certified Neonatologist. She attended medical school at LSUHSC and then continued her training with Pediatric Internship and Residency, also at LSUHSC in New Orleans. Dr. Gallois continued her training in Neonatology here at CHNOLA with LSU. She is also a Certified Lactation Counselor.

Objectives: At the conclusion of this activity, participants will be able to:

1. Identify breastfeeding benchmarks and rates, both nationally and in Louisiana.
2. Describe the updated AAP Breastfeeding Policy recommendations.
3. Advocate for better breastfeeding support.

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

CME statement: Children's Hospital is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians. Children's Hospital designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

To receive CME credit, use this link to register:

<https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807>

If you do not need CME credit, log in through the Zoom link:

<https://lsuhsc.zoom.us/j/95665388600>

Meeting ID: 956 6538 8600

Other Announcements

ACE Webinar on Faculty & Staff Burnout

The American Council of Education (ACE) is hosting a webinar tomorrow, **Wednesday, November 2nd at noon** on Faculty & Staff Burnout.

Details can be found here: <https://www.acenet.edu/Events/Pages/Faculty-Staff-Burnout.aspx>. It is free but advanced registration is required if anyone would like to attend.

LSUHSC IRB's Virtual Lunch & Learn Series

The LSUHSC IRB is excited to announce the launch of our virtual Lunch & Learn series. Once a month, join the IRB Staff during your lunch hour for a one hour Zoom session where a member of the staff will spend the first 10-15 minutes presenting on a rotating list of IRB topics followed by an open discussion and time for questions from research staff.

Our first three Lunch & Learns are scheduled for the following dates:

- November 9th @ 12PM covering Database & Repository Research
- December 7th @ 12 PM covering Reportable New Information

Zoom links to each session are available on the [Research Staff Education page of the IRB Website](#). Each session will be recorded and the recording uploaded to the website afterward for those who are unable to attend.

Latest Edition of The Pulse ([link](#))

Campus COVID-19 Updates

- Please review Dr. Christian Winters' updated campus guidelines as of June 2022. ([information](#))
- LSUHSC COVID Self-Reporting ([information](#))

Resident Education

- Resident Participation in Research ([information](#)) - complete a shared

spreadsheet with a brief description of the project you are looking for collaboration or assistance with.

- GeauxHealth! is a collaboration between LSU and Tulane residents to create a resource guide promoting medical trainee awareness of social determinants of health as well as providing a tool for easy use in clinic and during discharge planning. Check out more info [here](#) and on their website: <https://geauxhealth.org/>

Research and Grants

- Updated: Several Avenues of Stats Support, Education and Consultation ([information](#)) ([using stats models through CITI](#))
- New Pre-Review for Grant Proposals service offered by LSU ([information](#))

Administrative Reminders

- Importance of Time Certification ([information](#)) - learn more about why we certify time each month!
- Use of Non-LSUHSC Email ([information](#))
- Download the new Department Composites for the 2022-2023 academic year! ([Resident](#), [Fellow](#), [Faculty](#), [Admin Staff](#)).

Department Anniversaries

The following employees celebrate another year with the department this month. Thank you for your continued service to LSU Pediatrics!

Colleen Bodet, 20 years
Ricardo Gomez, 19 years
Emily Masoumy, 3 years
