#### Recent Scholarly Activity

Dr. Marcie Houser authored a paper that is currently in press. "Review of Upstream Social Factors Contributing to Childhood Obesity" will be published in *Obesity Pillars*. [You can read the article here.](#)

A graphic for Trans Day Of Remembrance (TDOR). It features a white star on a black background. Inside the star is a circular wreath of colorful flowers. To the right of the star, the text "Trans Day Of Remembrance" is written in a large, white, serif font. Below this, "November 20, 2022" is written in a smaller, yellow, sans-serif font. In the bottom right corner, there is a logo for the National Center for Transgender Equality, which consists of a stylized 'T' and the text "National Center for TRANSGENDER EQUALITY".

Transgender Remembrance Day (TDOR)

The National Center for Transgender Equality has released a remembrance report to commemorate the 47 trans lives lost to violence in the past year.

"On Trans Day of Remembrance, we honor those taken from our communities, we celebrate their lives, and we root ourselves in our collective resilience.

Our community is incredibly strong. In the face of systemic violence, trans people continue to survive and thrive. We support and celebrate each other while working hard to achieve our dreams.

Our new [Remembrance Report](#) centers the humanity and individuality of trans people whose lives were stolen by violence. Whenever possible, we've included snapshots of their lives, often shared by their loved ones."

## Foundation Expenditure Policy for Holiday Parties

On behalf of The Foundation Board of Directors the following guidance is being offered when considering what fund to use, and if alcohol should be permitted during your upcoming holiday parties:

Holiday parties are events supported by your Foundation accounts, in most cases using your department's discretionary fund is the best option. However, for those hosting Holiday parties where students and/or residents are to be invited, then using Endowed Funds which support the education of residents and students is encouraged and the best fund to use.

Alcohol: If the presences of others (spouses, significant others) attending holiday events add to the benefit of LSUHSC, then alcohol can be

permitted. Additionally, those holiday parties which include students, residents and interns alcohol can be permitted. Alcohol will be limited to 2 drinks per person and all attendees are expected to drink responsibly and to remember they are ambassadors of LSUHSC, the University and the Foundation.

## FACULTY DEVELOPMENT

*New video monthly*

### November Video: Zoom Tips for Teachers

In this season of Thanksgiving, I'm thankful for our amazing faculty and our dedication to excellence in education! This is a very short (under 3 minutes!) video with 10 quick tips for ZOOM. Most of us are attending lots of Zoom meetings and teaching sessions, so this month and for a few to come let's use this space to focus on improving our experience and that of our learners.
