FACULTY DEVELOPMENT

New video monthly

March Video: Clinical Teaching Simplified

As we continue our mission of providing excellent medical education, check out this video. It provides a simple, efficient and effective method of teaching medical students and residents in a variety of clinical settings. It addresses major concerns (TIME!) and provides practical tips, and there are great references for those who would like to learn more.

<https://vimeo.com/89625533>

Please send any suggestions or areas of faculty development need to acree1@lsuhsc.edu.

If you are interested in other forms of Faculty Development, visit these websites:

For questions or comments regarding Faculty Development, please contact [Amy Creel](#).

CHNOLA Announcements

Grand Rounds

Please see the [attached flyer](#) for this week's presentation from Dr. Craig Conrad.

A limited number of lunches will be provided for guests in the Large Conference Rooms. Overflow viewing space is available in the small rooms outside the Conference Rooms, or on the 3rd floor in the Physician Lounge.

Register Below:

<https://forms.gle/KHcZ4J5vKEDrDEu48>

PLEASE READ: You need to register using the linked

form to receive credit for participating. Thank you for your understanding. *The usual note: to receive credit, attendees must register using the provided form, and attendee names as they appear in zoom should clearly identify the attendee.*

Hybrid Pediatric Grand Rounds

"Global Health Education: Perspectives from Rwanda"

Wednesday, March 20, 2024
Hospital Large Conference Rooms, Noon

You may join Pediatric Grand Rounds from your computer, tablet, or smartphone:
To receive CME or CEU Credit in person or online, you **MUST** register.
Register here: <https://forms.gle/KHcZ6JsvkEDrDEu68>

Zoom link: <https://zshrc.zoom.us/j/92060541657>
Meeting ID: 920 6054 1657

Note: This is a live activity. The link is only valid from noon - 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please register to receive credit.

Craig Conard, MD, MPH, FAAP received his undergraduate degree in Spanish from Hamilton College in Clinton, NY, his Master's of Public Health in international health from the Tulane University School of Public Health and Tropical Medicine. He earned his medical degree from the Tulane University School of Medicine and completed his pediatric internship and residency at Ohio State University/Nationwide Children's Hospital in Columbus, OH. Dr. Conard has extensive global health experience in Latin America and eastern Africa, specifically in Rwanda, where he has served as a Senior Pediatrician for Human Resources for Health since 2015. Dr. Conard returned to New Orleans in 2018 and is the Section Chief for Tulane Hospitalists at Children's Hospital New Orleans. He has expertise in pediatrics, global health and nutrition, and is board certified in pediatrics.

Objectives: At the conclusion of this activity, participants should be able to:

- Understand that Global Health is Local Health
- Describe how the aftermath of the 1994 Rwandan genocide set up Rwanda for public health failures and eventual success.
- Identify how a multifactorial, comprehensive approach to medical education can produce results in a developing country setting.

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

Accreditation Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, on accredited approval by the American Nurses Credentialing Center's Commission on Accreditation, Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.

ADA Statement: In compliance with the Americans with Disabilities Act, if special accommodations are needed, please notify Denise Graham at 504-955-7943.

- Updated: Several Avenues of Stats Support, Education and Consultation ([information](#)) ([using stats models through CITI](#))
- New Pre-Review for Grant Proposals service offered by LSU ([information](#))

Administrative Reminders

- Importance of Time Certification ([information](#)) - learn more about why we

certify time each month!

- Use of Non-LSUHSC Email ([information](#))
- Download the new Department Composites for the 2023-2024 academic year! ([Resident](#), [Fellow](#), [Faculty](#), and [Admin Staff](#)).
- LSU travel policy and procedures ([information](#))

Department Biostatistical Support for Research

As a reminder, department biostatistician, Dr. Zhide Fang, is available to provide biostatistical support to faculty, fellows, and residents. Please see below for revised scheduling procedures:

1. Email Zhide Fang at zfang@lsuhsc.edu and Cc Sarah Brooks (sbroo9@lsuhsc.edu)
2. Provide brief explanation of the service you need and, if applicable, times you are able to meet
3. Dr. Fang may request additional information depending on the nature of your request
4. Asking simple, direct questions through email is welcome at any time, but appointments are preferred

Department Anniversaries

Congratulations to **Sheri Russell-Cromwell** on her 10 year anniversary with LSU Pediatrics! The administrative staff celebrated Sheri with a lunch yesterday. Thank you for everything you do for the department and our medical students, Sheri.

Sheri Russell-Cromwell, 10 years
Dedrick Moulton, 1 year
