LSU Pediatrics Announcements

Welcome, New Faculty!

We welcomed two new Neonatologists to the department last week. Mary Johnson, MD is joining as Assistant Professor. Dr. Johnson received her medical degree from the University of Texas Medical Branch in 2015. She completed her Pediatrics Residency at University of Louisville – Norton Children's Hospital in 2018 and most recently completed her Neonatology Fellowship at the University of Texas Health Sciences Center at Houston last month. Dr. Johnson will be working at Children's Hospital, Touro Infirmary, East Jefferson General Hospital, and Tulane Lakeside Hospital. Dr. Johnson is originally from Baytown, Texas and enjoys playing volleyball, traveling, cooking, and watching documentaries. Please be sure to give Dr. Johnson a warm welcome to the Department of Pediatrics!

The Neonatology Division also welcomes Dr. Peter Joslyn, their most recent fellowship graduate, as Assistant Professor. Dr. Joslyn received his medical degree from LSUHSC School of Medicine in 2015 and completed his Pediatrics Residency at the University of Texas Southwestern in 2018. As previously mentioned, Dr. Joslyn graduated from the LSU Neonatology Fellowship Program in June. He was awarded the LSUHSC Department of Pediatrics Fellow Teaching Excellence Award in 2020 in recognition of his outstanding teaching and mentoring skills. Dr. Joslyn will

work at Touro Infirmary, North Oaks Medical Center, Lakeview Regional, and Slidell Memorial Hospital. The Division and Department welcome Dr. Joslyn and Dr. Johnson to the LSU Pediatrics Family!

LSUHSC COVID Self-Reporting

For the health and well-being of those on our New Orleans campuses, LSUHSC asks all members of the Health Sciences Center community who are under suspicion of or diagnosed with COVID-19, to self-report.

The form is available on our website [Coronavirus website](#). Here is a [direct link to the landing page](#).

The Campus Clinic requests that you complete and submit the form before calling to arrange COVID-19 testing to allow them to provide you the best guidance. The Campus Clinic can also answer any questions you may have. You can reach them at 504-412-1995.

Wellness Committee Book Club Announces Book of the Quarter

Start reading now! The LSU Pediatrics Wellness Committee shares its book for this quarter. It is called [“Educated” by Tara Westover](#). Please join us on **Wednesday, September 22 at 7:30PM (location TBD)** to discuss this highly-recommended book over cocktails/wine!

FACULTY DEVELOPMENT

New video monthly

August Video: Efficient Teaching

Efficient teaching during day to day clinical work **IS** possible. This short video demonstrates and breaks down the One Minute Preceptor technique for concise clinical teaching. Whether you're new to teaching or an old pro, adding more tools and techniques will help us all achieve excellence in our educational mission.

<https://vimeo.com/76305964>

Please send any suggestions or areas of faculty development need to acree1@lsuhsc.edu.

If you are interested in other forms of Faculty Development, visit these websites:

Virtual Pediatric Grand Rounds

Children's Hospital
New Orleans
LCMC Health

“Concussion”

Wednesday, August 11, 2021

Noon

Please join Pediatric Grand Rounds from your computer, tablet, or smartphone:

Zoom link: <https://lsuhsc.zoom.us/j/92312437678?pwd=amd0RENwQWJ2L1BDNW1zeHVQRHhjQT09>

Meeting ID: 923 1243 7678

Passcode: 235623

Note: This is a live activity. The link is only valid from noon – 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please sign in with your full name and credentials in order to receive credit.

Scott Schultz, MD, specializes in Pediatric Rehabilitation at Children's Hospital. He earned his medical degree from George Washington University in Washington, D.C., and completed his residency training at UCLA/VA Greater Los Angeles Healthcare Center. He then completed a fellowship in Pediatric Rehabilitation at Kennedy Krieger Institute/Johns Hopkins University in Baltimore, Maryland. Dr. Schultz is board-certified and serves as the Associate Director of Rehabilitation Program at Children's Hospital.

When asked why he chose to practice Pediatric Rehabilitation, Dr. Schultz said, "During my training, I became interested in traumatic brain injuries and concussions in children. I've enjoyed working with these patients and their family members to help get them back to their normal routines."

Objectives: At the conclusion of this activity, participants should be able to:

1. Describe how to acutely manage a concussion.
2. Identify the difference between concussion, postconcussion syndrome, and chronic traumatic encephalopathy (CTE)
3. Describe the return to play protocol and when it should be implemented regarding concussion

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

CME statement: Children's Hospital is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians. Children's Hospital designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
