

SUPPORTING YOU TODAY AS A MEDICAL STUDENT. PROTECTING YOUR FUTURE AS A PHYSICIAN.

Join the American Medical Association, the largest medical organization in the nation.

As soon as you join, you'll get exclusive access to:

- 1 **Leadership and training opportunities** to help distinguish you as a candidate for residency and resources to find the right Match
- 2 **Free access to the JAMA Network and research resources** to help you navigate the research path and bolster your CV
- 3 **A critical network of others who care about advocacy and health equity**— and an opportunity to turn your passions into health policy

And while you're in medical school, the AMA is fighting to protect your investment in years of medical education and training. We represent the profession with a unified voice to:

Reduce administrative burden and excessive prior authorization

Reform Medicare payment and ensure proper reimbursement

Support physician well-being and fight burnout

Prevent scope of practice expansions and ensure physicians remain leaders of the healthcare team
