

# COALITION FOR EQUITY IN MEDICINE (CEMIG)

A place to learn, discuss, advocate, and confront inequity in our medical system.

## Meetings

### Equity in Medicine Journal Clubs

- ex: examine article removing race-based calculation for kidney function, vastly improving equity in kidney transplants

### Policy Primers

- keeping you abreast of important legislation affecting patients

### Integrating equity into clinical practice (led by MDs)

### Networking Events with passionate clinician-advocates

**TryStereo –**  
Harm Reduction  
(Safe Injection) Kit  
Making + Naloxone  
Training
