

Louisiana Orthopaedic Association

What does LOA have to offer?

- ✦ Networking with physicians throughout Louisiana (*like the ones on residency review boards*)
- ✦ Up to date information on current legislature directly relevant to current and future surgeons (*sounds boring but becomes very relevant*)
- ✦ Presentation opportunities at the LOA Annual Meeting (*research presentations are super important for highly competitive residencies i.e. orthopedics*)

LOA Annual Meeting
March, 2026
Roosevelt Hotel New
Orleans, LA
