

# Louisiana Orthopedic Association

## What does LOA have to offer?

- Networking with physicians throughout Louisiana (physicians who will be on residency review boards)
- Provides up to date Information on current legislature relevant to current and future surgeons (sounds boring but becomes very relevant)
- Opportunity to present at the LOA Annual Meeting (which is key for competitive residencies like orthopedics)

## LOA Annual Meeting

March 21-22, 2025

Roosevelt Hotel New Orleans

## Interested in joining? Get in touch with us!
