

Medical Students for Choice

MSFC is a student-led organization dedicated to ensuring that all medical students and residents receive comprehensive education and training in reproductive health, including abortion and family planning. We believe that access to evidence-based reproductive care is a fundamental part of healthcare.

Why MSFC?

- Join a community of likeminded pro-choice medical students
- Expand your reproductive health education
- Advocate for reproductive justice in medical education and beyond
- Attend talks, lectures, and workshops

Join our email list!

Activities:

- Contraceptives Workshop
- How to Take a Sexual History
- Trauma Informed Care
- Manual Vacuum Aspiration Workshop
- Pregnancy Options Counseling
- Advocate at the Louisiana State Legislature
- & much more!
