

OnIG ONCOLOGY INTEREST GROUP

Our Mission

The Oncology Interest Group is dedicated to raising awareness and fostering interest in the field of oncology among medical students. Our goal is to introduce students to the diverse specialties within oncology and to offer numerous opportunities for them to engage more deeply with the cancer community in New Orleans.

Activities and Events

- Subspecialty panels featuring experts
- Research opportunities
- Collaboration with local cancer organizations
- Dues are \$20 and include a T-shirt and food at meetings
