

# PHYSICAL MEDICINE & REHABILITATION INTEREST GROUP(PMRIG)

Sign Up!

## Overview

PM&R, also known as physiatry or rehabilitation medicine, aims to restore the functional ability of patients with neuromusculoskeletal injuries and diseases. The primary goals of PM&R physicians are to maximize patients' independence in activities of daily living and improve quality of life.

**Subspecialties:** Brain/spinal cord injury, sports medicine, neuromuscular medicine, pain medicine, pediatric rehabilitation, hospice & palliative care

**Patient Populations Treated:** Neuro, ortho, peds, oncology, amputees, athletes, burns

## No Membership Dues!

### Upcoming Activities

- 2-3 meetings per semester, including a subspecialty series & post-match panel
- Community outreach & volunteer events (ALS Association, National Veterans Wheelchair Games)
- Hands-on workshops (joint injection & ultrasound clinics)
- Networking & socials
- Professional development: research & conferences (AAPMR24 in San Diego!)
