

To facilitate requests for remote Epic access for research purposes ONLY, the below process has been established. Please review the process before submitting your request.

Process for Remote EPIC Access for Research Purposes

Step 1: Obtain a copy of the IRB number of the study on which you will be working, as well as the approval for your addition to the study team.

Step 2: Submit your request via email to Dr. Paula Gregory and Andante' He'bert along with the attached IRB documents identified in Step 1.

Step 3: The request will be reviewed by Dr. Gregory and submitted by Andante' He'bert to Jeannine Ascani in the UMC Office of Research. The student will be copied on the request submitted to UMC.

Step 4: To obtain remote access at a different institution, please follow steps 1 and 2. Additional steps and paperwork may be required.
