

# SURGERY INTEREST GROUP

## What is SIG?

SIG is a great way to connect with surgeons and other students interested in surgery. We are here to give advice about pursuing a career in the field and provide information to get you excited about surgery!

## What we do?

- Surgery Research Info-sessions
- Discussion panels with doctors and upper-level medical students
- Suture Clinics
- Stop the Bleed Courses for students and the community
- Trauma walk-throughs at UMC
- Dinner with residents
- Matched 4th year Q&A

## Membership?
