

CURRICULUM VITAE

PATRICK GREIFFENSTEIN MD FACS

Current Title: Professor of Clinical Surgery

Business Address: LSU Health Sciences Center
School of Medicine
Department of Surgery
2021 Perdido Street, 8th Floor
New Orleans, LA 70112

**Business Telephone:
and Fax** (504) 568-4750 (p)
(504) 568-2202 (f)

Business email Address: pgreif@lsuhsc.edu

Education:

Undergraduate: Florida Atlantic University
Bachelor of Arts Degree in Anthropology,
12/1996

Graduate/Medical: St. George's University, Grenada, West
Indies
MD conferred in May of 2003

Internship: Internship in General Surgery
LSU Health Sciences Center, New Orleans
July 1, 2003 to June 30, 2004

Residency: Resident in General Surgery
LSU Health Sciences Center, New Orleans
July 1, 2004 to June 30, 2010
(with 2-year hiatus for research, below)

Post-Doctoral Fellowships: Research Fellow
Alcohol Research training Grant
(NIAAA #AA-07577)
July 1, 2005 to June 31, 2007
LSU Health Sc

Clinical Fellowships: Fellow in Surgical Critical Care
LSU Health Sciences Center, New Orleans
July 1st, 2011- 2012

Certification:

American Board of Surgery

Qualifying Exam August 2010 - Passed
Initial Certification Date: October 22, 2012 – Certificate #057241
Expiration Date: December 31, 2023

American Board of Surgery- Surgical Critical Care

Initial Certification Date: September 23, 2013 – Certificate #003235
Expiration Date: December 31, 2024

Licensure: Louisiana State Board of Medical Examiners, MD.202367
08/06/2008 - Present

Academic, Professional, and Research Appointments

Academic Appointments:

LSU Health Sciences Center, School of Medicine, New Orleans, LA

04/1/2011 – 06/30/2011
Clinical Assistant Professor of Surgery

07/01/2012 – 06/30/2019
Assistant Professor of Clinical Surgery

04/01/2013 – 06/30/2019
Clinical Assistant Professor of Physiology

06/01/2015 – 06/30/2019
Clinical Assistant Professor of Cell Biology & Anatomy

07/01/2019 – 06/30/2024
Associate Professor of Clinical Surgery

07/01/2019 – 06/01/2024
Clinical Associate Professor of Cell Biology & Anatomy

07/01/2019 – Present
Clinical Associate Professor of Physiology

2021 - Present
Lori Whited Lacoste Professorship in Clinical/Trauma Surgery
LSU Foundation Professorship (\$100,000 matched endowment)
New Orleans, LA

07/01/2024- Present
Professor of Clinical Surgery

Tulane University, School of Medicine, New Orleans, LA

07/01/2014 – Present
Adjunct Associate Professor of Clinical Surgery
Department of Surgery
New Orleans, Louisiana

Professional Appointments:

2005 - 2007
Resident Representative for the Graduate Medical Education Committee
Appointed to represent the department of surgery on the GMEC

2006 - 2010
Resident Liaison for LSU, *RAS-ACS*
Resident liaison for the Resident & Associate Society of the American College of Surgeons

2009 - 2010
Co-Chairman, Membership Committee, The Shock Society

2010 - 2011
Staff Surgeon
Winn Parish Medical Center
Winnfield, LA

2012 - 2014
Trauma/Acute Care Surgeon
Our Lady of the Lake Regional Medical Center
Baton Rouge, LA

2012 - 2024
Student Clerkship Director
LSU Health Sciences Center
New Orleans, LA

2014 - Present
Attending Trauma/Critical Care Surgeon
North Oaks Medical Center
Hammond, LA

May 12, 2015
Teleflex Corporation: Consultant and clinical advisor for EZ-IO Product.
Led lunch seminar during European Congress on Trauma and Emergency Surgery, on the use of intraosseous catheters in trauma/emergency resuscitation. Amsterdam, Holland.

May 17, 2015

Patrick Greiffenstein MD FACS

Depuy Synthes- Consultant and clinical advisor for MATRIXRib System- Short course instructor for approaches to rib fracture fixation for local surgeons. New Orleans, LA

March 2016

Founding Member, Educational Committee, Chest Wall Injury Society
An Independent society of surgeons and clinical practitioners interested in understanding and promoting the study and practice of care for the patient with chest wall injuries.

2016 - Present

Zimmer Biomet

Instructor for rib fixation skills labs. Paid clinical consultant on biomechanical modeling of rib fractures

2016 - Present

KLS Martin

Instructor for rib fixation labs. Paid consultant on product development and technical issues regarding rib fracture prostheses

October 2017

Chairman, Poster Session

Surgical History Group of the American College of Surgeons.
ACS Clinical Congress

March 2018

Panel expert for Thoracic Trauma Summit. Medical Innovation Center, Houston, TX

October 2018

Co-Chairman, Program Committee

Surgical History Group of the American College of Surgeons.
ACS Clinical Congress.

February 2019

Section Editor, *Emergency Surgery*

European Journal of Trauma and Emergency Surgery

April 2019 - Present

Chairman, Patient Outreach Committee, Chest Wall Injury Society

October 2019 - 2022

Chairman, Program Committee

History and Archives Committee of the American College of Surgeons

November 2023- November 2025

President, Medical Staff

University Medical Center of New Orleans

November 2023-November 2025

Chairman, Credentials Committee
University Medical Center of New Orleans

July 2024- Present
Program Director, Surgical Critical Care Fellowship
LSU Health Sciences Center
New Orleans, LA

January 2025- Present
Medical Director, Trauma/Surgical Intensive Care Unit
University Medical Center of New Orleans

Membership in Professional Organizations:

2003 - 2012	American College of Surgeons, Resident/Associate Society
2005 - Present	The Shock Society, Member
2010 - 2011	The Shock Society, Membership Committee, Co-Chairman
2011 - Present	Society of Critical Care Medicine (SCCM), member
2012 - 2016	American College of Surgeons, Associate Member
2014 - Present	Eastern Association for the Surgery of Trauma (EAST), member
2014 - Present	Southeast Surgical Society, member
2016 - Present	American College of Surgeons- Fellow
2016 - Present	PanAmerican Trauma Society. Member
2016 - Present	Chest Wall Injury Society- Founding Member, Educational Committee Member
2020 – 2023	Chest Wall Injury Society- Chairman, Patient Outreach Committee

Awards and Honors:

1999 Graham Belz Scholarship

Merit scholarship for St. George's University based on personal qualities and academic standing

2005 The Powell Award

Awarded by the *Rives Surgical Society of New Orleans* to one LSU Surgery resident for his/her contributions to the department

2008 Aesculapian Society Excellence in Teaching Award

Best Resident Teacher, as selected by student members of the Aesculapian Society, LSU School of Medicine

2008 Douglas Leonovicz Vascular Surgery Award

Awarded to the third year resident who most excels in vascular surgery

2009 Trauma Paper Winner

17th Annual Louisiana Chapter of the American College of Surgeons.
Presented: *"Damage Control Laparotomy: Making Sense out of Nonsense"* Ritz-Carlton Hotel, New Orleans, LA. Jan. 18th, 2009.

2010 Alpha Omega Alpha Medical Honors Society (LSU Chapter)

Selected by the LSU Chapter for induction as a resident

2010 Aesculapian Society Excellence in Teaching Award

Best Resident Teacher, as selected by student members of the Aesculapian Society, LSU School of Medicine

2011 Trauma Paper Winner

19th Annual Louisiana Chapter of the American College of Surgeons. Presented "Implementation of a Comprehensive Unit-based Safety Program (CUSP) and its effects on Catheter-related Infections in a Trauma Intensive Care Unit." Ritz-Carlton Hotel, New Orleans, LA. Jan, 2011.

2014 W. Chapman Lee Teaching Faculty of the Year Award

LSU Department of Surgery, as voted on by the medical students, class of 2016

2015 W. Chapman Lee Teaching Faculty of the Year Award

LSU Department of Surgery, as voted on by the medical students, class of 2017

2018 Dr. Alan A. Copping Award for Teaching Excellence

LSU Health Science Center, School of Medicine, as voted on by LSUHSC Faculty

2019 Physician of the Quarter, University Medical Center, New Orleans, LA

2023 Clinical Research Grant, Louisiana State University, New Orleans, LA

Awarded \$64,800 to conduct an experimental study on the effects of CPR on a pig model of hemorrhagic shock

TEACHING EXPERIENCE AND RESPONSIBILITIES

Curriculum Development/Implementation:

1. Advanced Trauma Life Support (ATLS) Instructor

Certified to train physicians in ATLS, an American College of Surgeons course for emergency care providers (2005 - present). Teach a minimum of one course per year

2. ATLS State Faculty for Louisiana

2005 - Present. As state faculty, I am involved in training physicians to become instructors and have been involved in training programs across the state, the accreditation of ATLS providers, instructors, and course directors. As such, I have been a part of unique programs such as **ATLS On The Road**, bringing ATLS to rural communities and training local physicians and caregivers and **PHTLS/ATLS** during which we help train senior paramedic students in the principles of ATLS using real-time scenarios

3. Critical Concepts Course

2012 - 2018. Co-Instructor for Surgical Critical Care section. Conduct eight four-hour-long skills sessions for basic and advanced hemostatic techniques for senior medical students during their Critical Concepts month.

4. Surgery Student Clerkship Curriculum

2012 - Present. As the clerkship director and in conjunction with the office of Student Affairs, the Clerkship Co-director and Clerkship Coordinator, a yearly rotating curriculum has been created for the education of the students on surgical services. This involves creating teaching curriculum for all surgical clinical courses offered at LSUHSC, the coordination of the weekly Cohn's clinical case conference, clerkship shelf exam, and coordinating LSU and visiting students throughout all of the clinical practice sites in the state.

5. Senior Surgical Anatomy Elective

2012 - Present. Course Co-Director. Four-week Senior elective course for students interested in careers in surgical subspecialties. The course offers students in-depth exploration of clinical anatomy and advanced clinical skills guided by faculty invited from various subspecialties. Obligations include lecturing, course organization, curriculum development, and as liaison for involved clinical faculty.

6. Advanced Surgical Skills for Exposure in Trauma (ASSET)

Course Director 2015 - Present. Schedule, prepare, coordinate and obtain funding for an advanced surgical skills cadaver course designed to teach practicing surgeons rapid exposure of major vascular structures for emergency bleeding control. **Completed Courses in 2015, 2016, 2017, 2024**

7. B-Con Course

Instructor for American College of Surgeons Stop the Bleed Project launched in 2016. Lead and assist with courses on hemostasis skills to the community including LSUHSC Medical Students, LA Department of Corrections personnel

8. US Coast Guard Rescue Swimmer Medical Training Project

Founder and lead instructor. 2016 - Present. Worked with area USCG to provide formal medical skills training in both didactic sessions and cadaveric training sessions through LSUHSC-SOM. Provided skills training in basic trauma care, airway assessment and management including cricothyrotomy, chest needle decompression, and advanced hemostasis techniques

9. Medical Humanities Longitudinal Studies Elective

2017 - Present. Co-Instructor. Assisted in development of curriculum and teach week-long seminar class for **third year** students on the representation of disease and medical treatment in visual arts.

10. Medical Humanities Senior Elective

2017 - Present. Co-Instructor. Assisted in development of curriculum and teach week-long seminar class for **fourth year** students on the representation of disease and medical treatment in visual arts including field trip to New Orleans Museum of Art for guided viewing and discussion of select pieces.

Creation of Enduring Teaching Materials

1. The Surgical Clerkship Student Manual:

Created in Fall 2012 and yearly update (Currently on 7th edition) of the written manual for medical students entering their surgical clerkship. This includes

course requirements for most clinical rotations across all teaching campuses, procedural guidelines, pertinent clinical material, and resources such as contacts

2. The Trauma ICU Survival Guide:

Created in Fall 2013 and yearly update (Currently on 9th edition) in coordination with current Trauma Fellows of the written manual for residents rotating in the Trauma ICU at UMC, New Orleans. This includes course requirements, procedural guidelines, pertinent clinical material, and resources such as contacts

3. SCORE Question Bank.

Item writer: Gastrointestinal hemorrhage (Surgical Critical Care/Fellowship Level). The SCORE Portal. <http://www.surgicalcore.org>. Published November 2023.

Departmental/Interdisciplinary Teaching Conferences:

General Surgery Journal Club, Moderator- 2012 – 2019. Approximately once yearly, run a meeting which reviews recent clinical and scientific literature focusing on a topic in surgery. Usually asked to moderate and choose articles for the Trauma and Critical Care topics. Otherwise, attend and contribute to this monthly conference.

Grand Rounds- Presenter and Moderator, 2012 - Present. Approximately once per year, present at Grand Rounds on a topic pertinent to the Department of Surgery at LSUHSC. Once every two years serve as faculty of the month and facilitate a weekly discussion at a department level about a selected topic in the realm of surgery and surgical critical care. Otherwise, attend and contribute to this weekly conference.

SICU Conference- Presenter, 2012 - Present. Approximately three times yearly present an hour-long review and facilitate discussion at a section level about a variety of topics in the realm of Trauma and Critical Care. Otherwise, attend and contribute to this weekly conference.

Surgical Critical Care Journal Club- Moderator, 2016 - Present. Coordinate along with the Trauma Fellows the monthly conference which reviews recent clinical and scientific literature focusing on a topic in surgical critical care. Otherwise, attend and contribute to this monthly conference.

RESEARCH AND SCHOLARSHIP

Grants and Contracts

Funded:

1. **ACCUTE-** (AB103 Clinical Composite Endpoint Study in Necrotizing Soft Tissue Infections) Phase III, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group, Study of AB103 as Compared to Placebo in Patients with

Necrotizing Soft Tissue Infections (NSTI)- Total Projected award \$244,088, Date of award: 9/1/15, currently accruing. **ATB-202 Principal Investigator for site**

2. **AVAIL-** (An Open-label Study to Evaluate the Efficacy and Safety of Avatrombopag for the treatment of Subjects with Thrombocytopenia Scheduled for a Surgical Procedure. Study launched in July 2018 but cancelled prior to accruing **Protocol #AVA-PST-320, Principal investigator for this site.**

SERVICE ACTIVITIES

University/Institutional Service

Departmental committees:

Clinical Competency Committee- LSUHSC Department of Surgery, Surgical Residency. 2014 - present

Clinical Competency Committee- LSUHSC Department of Surgery, Surgical Critical Care Fellowship. 2014 - present

Patrick Greiffenstein MD FACS

Program Evaluation Committee, LSUHSC Department of Surgery, Surgical Residency. 2014 - present

Program Evaluation Committee, LSUHSC Department of Surgery, Surgical Critical Care Fellowship. 2014 - present

Surgical Residency Interview Committee, LSUHSC Department of Surgery, alternate. 2014 - present

LSUHSC (campus) committees:

Louisiana State University School of Medicine, Graduate Medical Education Advisory Committee, Member, 2007 – present.

Louisiana State University School of Medicine Faculty Assembly, Elected Member, 2014 - 2017.

Communications Committee Member LSUHSC, School of Medicine. 2014 - present

Research Advisory Board Member, LSUHSC School of Medicine. 2014 - present

Adverse Action Appeals Committee Member for Department of Otolaryngology - June 2015

Louisiana State University School of Medicine, Admissions Committee Member. Spring 2017 – present.

Hospital committees:

OR Peer Review Subcommittee- ILH/UMC, 2014 - present

Mortality Review Committee- University Medical Center- 2014 - present

Medical Executive Committee- University Medical Center of New Orleans. Member 2016 - present

Credentials Committee- University Medical Center of New Orleans. Member, 2016 - present

Advisory Board Member, University Medical Center Clinical Trial Research Center, New Orleans, 2016 - Present

Obstetrical Emergency Care Committee Member, Representative for Trauma/Surgical Critical Care Division- University Medical Center, 2017

Ketamine Task Force Lead Member, University Medical Center- 2017-present

Consent Task Force, Member, University Medical Center- 2017 - present

Pain Clinic Task Force Member, University Medical Center. 2017 - present

Clinical Service

Inpatient service activities:

Attending Surgeon, LSU Interim Hospital, Trauma/General Surgery Service, every other month. 07/2012 - 07/2015

Attending Intensivist, Surgical Intensive Care Unit (SICU) 8 days of continuous rounds and call approximately 6 times per year. ILH 2012 - 2015, UMCNO 2015 – present

Attending Surgeon, UMCNO- Burn Center: Coverage of Inpatient care and emergency room consultations, approximately 2 days per month. 5/2012 - Present, concurrent with Trauma Call at UMC

Clinic coverage:

Attending Surgeon- Trauma Surgery Clinic, every Monday of the month on service, approximately 4-6 months per year, ILH 2012 - 2015, UMCNO 2015 - present

Clinical Rounds:

Trauma Intensive Care Unit (TICU) Rounds, approximately 1 week every other month. Conducting rounds in the TICU involves interacting with and instructing members of the nutrition staff, nurses and nursing students, pharmacists and pharmacy students, respiratory therapists and respiratory students, as well as medical students from LSU, Tulane, and foreign countries. Residents in Surgery, Emergency Medicine, Orthopedics, Neurosurgery, and Oral Maxillofacial Surgery from both LSU and Tulane as well as 2 Surgical Critical Care Fellows (LSU) are part of the SICU team. 07/2012- Present

Surgery Intensive Care Unit (SICU), Southern Louisiana Veterans Health Center, New Orleans. Conduct rounds, approximately one week in every 2-3 months (currently every 7 weeks) 2017- Present

Acute Care Surgery, Southern Louisiana Veterans Health Center, New Orleans. Conduct rounds on the floor patients admitted to the Acute Care Surgery service.

Call:

Trauma and Acute Care Surgery call, Our Lady of the Lake Level 2 Trauma Center, Baton Rouge, LA – four days/month In house, two days/month back up. 7/12 - 7/15.

Trauma and Acute Care Surgery call, Interim LSU Hospital – 4 - 5 times/month, 7/12 - 8/16, (In house).

Trauma and Acute Care Surgery call, North Oaks Regional Medical Center Level 2 Trauma Center – two times/month, 7/15 - Present, (In house).

Trauma and Acute Care Surgery call, University Medical Center of New Orleans Hospital – 4-5 times/month, 8/16 - Present, (In house).

Acute Care Surgery and Surgical Critical Care, Southern Louisiana Veterans Health Center, New Orleans. Concurrent with Surgical Critical Care rounding weeks, approximately one week in every 7

Administrative Responsibilities

Departmental:

Student Clerkship Director, 2012 - Present: As the clerkship director and in conjunction with the office of Student Affairs, the Clerkship Co-director and Clerkship Coordinator, I am responsible for the clinical education of the students on surgical services throughout the LSU system in southern LA. This involves creating teaching curriculum for all surgical clinical courses offered at LSUHSC, the coordination of the weekly Cohn's clinical case conference, clerkship shelf exam, developing skills labs, and coordinating LSU and visiting students throughout all of the clinical practice sites in the state. Furthermore, we handle all of the LSU students who seek to rotate in other facilities across the country. Lastly, my co-director and I handle all of the student issues and conflicts that arise across the clinical sites within my purview.

Research Coordinator 2018 - 2020: My role was to facilitate and promote research activity within the department of surgery at LSUHSC through coordinating statistician support, assisting with IRB applications, establishing interdepartmental collaborative efforts, mentoring residents, and publishing guidelines and bulletins within the department to help navigate the research process.

Promotion and Tenure Committee 2023 - Present: As a committee member, I review current processes and guidelines, assess all applications for promotion, and vote on pertinent issues

School:

Louisiana State University School of Medicine, Graduate Medical Education Advisory Committee, Member, 2007 – present.

Louisiana State University School of Medicine, Clinical Promotions Committee Member. 2012 – present.

Louisiana State University School of Medicine Faculty Assembly, Elected Member, 2014 - 2017.

Communications Committee Member LSUHSC, School of Medicine. 2014 - present

Adverse Action Appeals Committee Member for Department of Otolaryngology - June 2015

Louisiana State University School of Medicine, Admissions Committee Member. Spring 2017 – present.

LSUHSC:

Research Advisory Board Member, LSUHSC. 2014 - present

Clinical Competency Committee- LSUHSC Department of Surgery, Surgical Residency. 2014 - present

Clinical Competency Committee- LSUHSC Department of Surgery, Surgical Critical Care Fellowship. 2014 - present

Program Evaluation Committee, LSUHSC Department of Surgery, Surgical Residency. 2014 - present

Program Evaluation Committee, LSUHSC Department of Surgery, Surgical Critical Care Fellowship. 2014 - present

Surgical Residency Interview Committee, LSUHSC Department of Surgery, alternate. 2014 - present

Hospital:

OR Peer Review Subcommittee- ILH/UMC, 2014 - present

Mortality Review Committee- University Medical Center- 2014 - present

Medical Executive Committee- University Medical Center of New Orleans. Member 2016 - present

Credentials Committee- University Medical Center of New Orleans. Member, 2016 - present

Advisory Board Member, University Medical Center Clinical Trial Research Center, New Orleans, 2016 - Present

Obstetrical Emergency Care Committee Member, Representative for Trauma/Surgical Critical Care Division- University Medical Center, 2017

Ketamine Task Force Lead Member, University Medical Center- 2017 - present

Consent Task Force, Member, University Medical Center- 2017 - present

Pain Clinic Task Force Member, University Medical Center. 2017 – present

Secretary, Medical Executive Committee- 2021 - Present

Community Service:

ATLS State Faculty for Louisiana (since 2008- Present)

As one of only three state faculty in LA, I am involved in training physicians to become instructors and course directors and have been involved in training programs across the state, the accreditation of ATLS providers, instructors, and course directors. As such, I have been a part of unique programs such as **ATLS On The Road**, bringing ATLS to rural communities and training local physicians and caregivers and **PHTLS/ATLS** during which we help train senior paramedic students in the principles of ATLS using real-time scenarios

LSUHSC Summer Research Program:

2014 - Present. Served as faculty mentor for 1-4 students yearly participating in a yearly summer program through LSUHSC Basic Sciences department. This 6 week program pairs high-school, college, or junior medical students with LSU faculty to design, conduct, and analyze a research project to be presented at the annual research day forum.

Course Director, Advanced Surgical Skills for Exposure in Trauma (ASSET):

2015 - 2018. Schedule, prepare, coordinate and obtain funding for an advanced surgical skills cadaver course designed to teach practicing surgeons and senior surgical trainees (residents and fellows) from all of the area surgical residency programs rapid exposure of major vascular structures for emergency bleeding control. Approximately one course per year, scheduled next course for October 2023.

Scientific Community Outreach Project for Education (SCOPE)

Founder and Faculty Advisor: 2016 - 2018. Started a project to engage the LSUHSC and Tulane University School of Medicine Scientific communities, including basic science and clinical faculty and students, with the Greater New Orleans area high schools. Developed a database of scientist volunteers who have gone out to area high schools to speak to classes about scientific engagement, promoted participation as judges for local and regional high school science fairs, and served as mentor for both students and teachers in order to develop a more robust scientific curriculum. At one point up to 8 active student members from LSUHSC and Tulane University schools of medicine. The project was shut down due to lack of student involvement from subsequent classes.

Greater New Orleans Science and Engineering Fairs (GNOSEF)

Judge for junior and senior high school sessions, GNOSEF 2016, 2017, and 2018

John Curtis Christian School

Science mentor- Lectured senior high school class on scientific research in 2017, also mentored three students and assisted in their development of medically-oriented science projects presented at the 2017 GNOSEF

Stop the Bleed Instructor

Lead workshops for the American College of Surgeons “Stop-The-Bleed” initiative which began in 2017, serving as instructor for basic hemorrhage control skills sessions. Have taught at the New Orleans Saints Organization for Superdome employees (2018), community sessions held at UMC, local organizations such as Holy Name of Jesus School and LA Department of Corrections employees at regional correction facilities from 2018-Present.

Clinical Advisor, Surgical Skills Instructor, US Navy Special Warfare Medical Education Program

Have led emergency medical skills teaching sessions, served as faculty advisor during simulated extraction field exercises and served as in-hospital instructor for Navy SEALs during their clinical rotation as part of their medical training curriculum since 2017.

Clinical Advisor, Surgical Skills Instructor, US Coast Guard Aviation Survival Technicians

Developed a training curriculum including skills training and didactic lectures for the local squad of US Coast Guard Rescue Swimmers in a two-year training cycle where they learn basic and advanced field rescue medical skills such as emergency airway access, pneumothorax decompression, wound care, hemorrhage control, intraosseous needle insertion, and fundamentals of trauma care through a class-room based and cadaver-lab based training curriculum. This informal program began in 2017 and has not continued since the Covid pandemic but we are working with the new leadership at USCG base to re-establish.

Summer Health Professions Education Program (SHPEP):

2018 Robert Wood Johnson Foundation-funded project, a 6 week residential enrichment program in which we have 80 aspiring pre-health undergraduate students from across the region/country spend 6 weeks with our campus embedded with health care professionals on a weekly rotating cycle to expose them to all aspects of healthcare. The program focuses on underrepresented minorities. As the Proctor for Surgical Services, I facilitated engagement with surgical teams and SHPEP students in an active observership at UMC including taking trauma call at our Level 1 Trauma Center.
